

DISCRETE MATHEMATICS SEMINAR
CENTER FOR APPLIED MATHEMATICS AND SCIENCE
DEPARTMENT OF MATHEMATICS
UNIVERSITY OF WEST GEORGIA

2:00 - 2:50 PM, FRIDAY, OCTOBER 9, 2015

BOYD 306

Speaker: **Rui Xu** (Department of Mathematics, UWG)

Title: **On path decompositions of graphs**

Abstract:

I will talk about path decompositions of graphs: some results and open problems.

If time allows I will also talk about some group connectivity problems I am working on.
