

Faculty Council Minutes
Friday, 3/10/2017

- **Course Changes**
 - Anthropology proposed new course: ANTH 2004: Statistical Methods in Anthropology
 - Suggested that learning objectives aligned with Bloom's Taxonomy so that they aligned with assessment and could be mapped with program learning objectives and course materials
 - UPC Final meeting submission: April 13th
 - Vote to conditionally approve with course objective changes
- **Program Changes**
 - Political Science program changes should have been approved before (system did not apply approval).
 - Psychology MA
 - Reduce hours from 45 to 36 hours for non-thesis track
- **Bylaws & Policies and Procedures**
 - Issues with Promotion and Tenure Language
 - Evaluation
 - Dean Evaluation
 - All of "I" not useful
 - Propose change of language: The dean shall be evaluated in accordance with the faculty handbook
 - Don't need 1.04.05 1.04.06
 - Evaluation of Department Chairs and Faculty kept (relatively) the same. Vanessa will review any changes needed for Qualtrics survey.
