

Project:

Studies in the Social Sciences

(College of Social Science electronic student journal)

Studies in the Social Sciences has the potential to be a significant vehicle for publicizing social science student research (undergraduate and graduate) here at the University of West Georgia. This will improve student opportunities for advanced graduate study either here or at other universities, and will enhance the reputation of the university.

Needs:

- Editorial Graduate Assistant: \$10,000
- Managing Editor: \$5,000
