Compliance
The UWG P-Card Policy is in compliance with the State Purchasing Card Policy. In the case of conflicting language between this policy and other written policies the following is the order of control; State law, State Purchasing Card Policy, Board of Regents Policy, UWG policy.

Use of the Purchasing Card for Personal Purchases Prohibited
Under no circumstances is a cardholder permitted to use the P-Card for personal purchases. Using the P-Card for personal purchases will result in disciplinary action, up to and including termination from State employment and criminal prosecution. The Official Code of Georgia, Annotated (O.C.G.A.), §50-5-80 states that any cardholder who knowingly uses the card for personal purchases under $500 is guilty of a misdemeanor. A cardholder who knowingly uses the card for personal purchases of $500 or more is guilty of a felony punishable by one to 20 years in prison. Supervisors or other approving officials who knowingly, or through willful neglect, approve personal or fraudulent purchases are subject to the same disciplinary actions as cardholders.

Overview
This manual has been developed to provide a step-by-step guide for use of the card, to document the State of Georgia Purchasing Card Program activity, and to provide instructions for reconciliation and review of the transactions.

Definition of a Cardholder
Cardholders and approving officials are designated as State Purchasing Agents and are subject to the provisions of O.C.G.A. § 45-10-1 et.seq. (State Employee Code of Ethics, Conflicts of Interest, etc.) Source: BOR Business Procedures Manual, Section 3.3.1. The decision as to which employees are approved for a P-Card rests solely with the P-Card Administrator. Purchasing Services reserves the right to set the minimum number of P-Cards to be issued to cost centers in order to insure that University business is done in a reasonable and cost productive manner.

Definition of a Purchasing Card (P-Card)
The State of Georgia Purchasing Card, hereafter referred to as the P-Card, is the property of the State of Georgia and is only to be used for State business purposes. It should be viewed as an additional tool for approved expenses to buy products and services which are more efficiently bought by a purchasing card, or to buy from vendors who routinely only do business via credit cards or cash. Using this system will reduce the time and paperwork normally associated with these types of purchases.

Although the card is issued in an individual's name, it does not affect personal credit in any way, nor shall it be used for personal purchases.

Who Can Get a P-Card?
Permanent full-time employees of the University of West Georgia, whose position and job responsibilities require the purchase of items and services, may be eligible for purchasing card privileges. Neither student employees nor casual labor are eligible for a P-Card. Cardholders in place prior to July 1, 2008, must undergo a criminal background check prior to the next renewal date of the individual card. Cardholders who opt out to having this background check performed, will have their card automatically terminated. Effective July 1, 2008 employees required to have a P-Card will be subject to a criminal background check and credit check prior to issuance of the card.
How Do I Get a P-Card and Keep It?

Before a request for card is made, the manual must be read in its entirety by the proposed cardholder. A P-Card can be obtained by completing the following steps:

1. **Complete the P-Card Application (Appendix A)** - The form must be signed by the Cardholder and the Department Head and/or Supervisor.

2. **Read and sign the "Ethical Statement of Values" form (See Appendix G).** - The form must be signed by the Cardholder and the Department Head and/or Supervisor.

3. **Complete and sign criminal background and/or credit check release form.**

4. **Attend a P-Card Training Session** - Training is mandatory for all P-Card roles: Cardholder and Department Head and/or Supervisor. Cards will not be disbursed until training has been completed.

5. **Sign the P-Card Agreement Form Upon Card Receipt (See Appendix B)** - This form will be presented to the Cardholder for signature upon receipt of P-Card. Appendix B is included in this manual for informational purposes only and should not be completed by the Cardholder prior to receiving their P-Card or prior to attending training. Procurement will provide the PCard Agreement Form for signature when you receive your P-Card. By signing this form, the Cardholder acknowledges:
   - Receipt and understanding of the regulations for use and protection of the P-Card.
   - Understanding of responsibilities in the reconciliation process and billing disputes.
   - Understanding and acceptance of consequences of P-Card violations.

   Upon receipt of the P-Card, please confirm that it is issued in your name and signed in ink on the back of the card.

6. **Complete Refresher Training Yearly** - P-Card "Refresher" Training is required yearly. The Cardholder and Department Head and/or Supervisor will be required to complete a refresher training session in order to maintain P-Card privileges.

7. Cardholders whose usage falls below the minimum threshold for annual purchases will have their card suspended.

**Changes to P-Card Information**

The **P-Card Change Request Form (Appendix A)** should be completed if:

- the cardholder's name or information changes
- the cardholder's department changes
- the spend limits are increased or decreased

If the cardholder changes departments or positions, or leaves employment of UWG, the P-Card Administrator must be notified by the Supervisor immediately and the card must be returned for cancellation and destruction.

**Spending Limits, Controls & Guidelines**

The overall goal of the credit card program is to provide operational efficiency without sacrificing cost or control.

**P-Card Controls**
Since the University of West Georgia, not the individual employee, will pay for the purchases made with the P-Card, controls have been added to the P-Card accounts. These limits are imposed at the point of sale when the card is used.

**Cardholder Spending Limits**

The available limits on a P-Card include:

- $\$ \text{per transaction} – \text{Single Transaction Limit (STL)}
- $\$ \text{per month} – \text{Credit Limit (CL)} – \text{this is monthly spend limit}

The University’s standard limit on P-Card purchases is $1000 per transaction and $5000 per month. Please note that the monthly limit is refreshed at the beginning of the billing cycle (the 5th of each month).

If an increase or decrease in the per transaction limit and monthly credit limit is required, please complete the P-Card Change Request Form (Appendix A). This form must be signed by the Department Head/Supervisor and Vice President of your respective area. The P-Card Administrator will review the justification and make a determination on the increase within State guidelines based on departmental needs and requirements.

**Merchant Activity Type Limits**

Specific types of businesses are identified by a Standard Industrial Classification (SIC) code. This is commonly referred to as a Merchant Category Code (MCC) and P-Card transactions are restricted based on these MCC Codes. If you have difficulty using your P-Card with a particular vendor, please contact your P-Card Administrator for further information. Please note that the MCC Code is set by the vendor and the issue bank, not UWG.

**Splitting Orders**

The practice of splitting a large order into two or more orders, as well as purchasing the same items from two or more vendors may be considered an attempt to evade the limitations of the P-Card and may lead to a revocation of an individual’s P-Card privileges. If the value of a project, product or service exceeds $5000 within a fiscal year, Purchasing Services should be contacted and the need for a bid should be reviewed.

**Security Issues**

P-Cards should not be shared with anyone, including your supervisor. The P-Card is issued to an individual and only that individual can use the card. The P-Card, P-Card number and all transactions should be kept secure at all times. Only the cardholder may place the order by telephone, fax or online.

**Pickup or Delivery of Ordered Products**

It is acceptable for a phone order to be picked up by another individual other than the cardholder as long as the recipient does not have knowledge of the card number.

**Team Travel & Studies Abroad**

The P-Card has been approved to pay for operating expenses and supplies associated with the student portion of Study Abroad and Team Travel Programs. The P-Card can only be utilized for the expenses of the student members of the group or team including payment for student food, lodging, travel and upfront expenses for the student only prior to the trip. In the case of Study Abroad, it can also be used to pay for entrance to tourist venues of an educational nature.
No employee or non-student expenses may be paid using the P-Card.\textsuperscript{[1]} For information related to employees and non-students, please refer to UWG’s Travel website http://www.westga.edu/travel/index_2987.php or contact the Office of the Controller @ ext 96390.

\textsuperscript{[1]} Violation of this policy is a reportable offense to the Office of Internal Audits, Board of Regents

The standard limits of $5000 per transaction and $10,000 per month are allowed for Team Travel and Studies Abroad P-Cards. If these amounts need to be changed, Appendix A should be completed and submitted to P-Card Administrator.

Prior to utilizing the P-Card for one of these programs, the following should occur:
- An encumbered and approved travel authorization should be on file.
- A one-time approval from the P-Card Administrator to utilize your P-Card for Team Travel (please email sbrobins@westga.edu)

The following information should be submitted with the statement each month:
- P-Card Account Summary Form (SA&TT) (Appendix F)
- Original Receipts
- If food is purchased include: Food Purchased with Institutional Funds Form http://www.bf.westga.edu/Controller/Forms/Food_Purchase_wInstitn_Funds.pdf
- Student Roster
- Trip Itinerary
- If business purpose of expense is questionable, please include explanation w/receipt

**Year End Deadlines**

In approaching year end deadlines, be aware all charges must be posted to the P-Card no later than June 4\textsuperscript{th}. The post date is the date that the charge is incurred by Bank of America, not the date that the charge is issued so be sure that any charge made close to this timeline is considered. Any charges posted after the June 4\textsuperscript{th} date will result in charges being incurred to the next fiscal year.

**Allowable Purchases (Things I CAN Buy with a P-Card)**

The P-Card is to be used to purchase supplies, goods or services solely for State business purposes. Some allowable items include but are not limited to:

- Advertising (Please attach an ad or copy of the job announcement as documentation)

How to Make Purchases with Your P-Card

Only the individual to whom the P-Card has been issued should use the card. When the decision to buy is made, the following procedures should be followed:

Approval Procedure

Proper internal departmental procedures in obtaining approval prior to the purchase should be followed. Once internal departmental procedures are obtained, be certain that the transaction is consistent with applicable rules for P-Card usage.

Place Order with Vendor

A P-Card may be charged by telephone, fax, online or in person. Be sure to inform the vendor that the purchase is for the State of Georgia to receive applicable discounts.

The University is tax exempt which means that we cannot be charged sales tax by vendors.[2] In the event that sales tax is erroneously charged to your p-card, the vendor must be contacted for credit immediately by the cardholder and documented on the receipt. A tax exempt form is available on our website http://www.bf.westga.edu/Purchasing/Forms/. If the vendor refuses to exempt Georgia state sales tax from the sale, the employee must stop the purchase process and nullify the purchase.

[2] THIS EXEMPTION DOES NOT APPLY TO STATE TAXES CHARGES ON LODGING.

Be prepared to provide vendor with any or all of the following information:

- Card Number
- Card Name
- Expiration Date
- Billing Address
- Billing Phone Number
- Three Digit Security Code

The credit card security code is the last three digits located in the signature block of the card. Sometimes these three digits are referred to as the credit card verification code.

Inform supplier of the proper delivery and shipping instructions. The shipment should always be directed to:

University of West Georgia
Central Warehouse
Attn: Cardholder Name/Department
Carrollton, GA 30118

Maintain Paperwork for Monthly Reconciliation

All receipts and order documentation should be maintained to accompany the P-Card statement upon receipt. House Bill 1113 requires recording all transactions on the P-Card Transaction Log (Appendix E). The Transaction Log, an ongoing record of information about purchases, is an excellent form of record-keeping. Another reason to include a Transaction Log is to record any comments that are directly attributable to the purchase.
Resolving Errors and Disputes

The Cardholder is responsible for resolving disputes with the vendor such as incorrect pricing, delivery problems, incorrect items received, damaged items, paid taxes\(^2\), etc. When appropriate, one should ask the supplier to provide a credit to the p-card account. Under no circumstances should there be a direct refund from suppliers for credit card transactions. If however, a direct refund is received in error, the refund check should be hand delivered to the P-Card Administrator immediately so that a reimbursement to the account is properly administered. Any communications should be documented and kept with the bank statement. Documentation should include dates, persons involved and a brief description of the problem.

In the event a solution cannot be achieved between the Cardholder and the vendor, Bank of America should be notified by faxing the dispute form (See Appendix C). Dispute form should be faxed to 1-888-678-6046 within 60 days from the date of the original purchase. A copy of the dispute form should be sent to the P-Card Administrator along with the statement. Procurement may be called on for help in the event that Bank of America is unable to resolve the dispute.

\(^2\) Sales tax may be paid when required for vendors out of state

Monthly Reconciliation of Billing Statements

The Cardholder is responsible for ensuring that the monthly billing statement reconciliation is complete. Original receipts should be maintained during the month and included in the reconciliation process. An original receipt should be from the vendor and should indicate the details of the transaction. Packing slips, copies of shipping labels, etc are not acceptable forms of receipt. If you have an issue receiving a receipt from the vendor or if you are missing a receipt, please contact the vendor for a copy and submit an explanation along with the Account Summary.

**Step 1:** Review bank statements and original receipts with detail of items purchased to verify appropriateness of items being purchased and funds being utilized.

**Step 2:** Complete and sign *with original signature* the P-card Account Summary Form (Appendix C) for each department to show reconciliation has been completed. Identify and document any issues. The purpose of the purchase should be documented if questionable. If the receipt itself does not provide a clear understanding, please enter the purpose on the P-Card Transaction Log (Appendix E) or write a note on the receipt that makes its use and appropriateness clear. Although the cardholder and approver may understand the purpose of purchase, it’s also important for the P-Card Administrator and/or outside party if reviewed to understand the purpose of purchase as well.

**Step 3:** Submit P-Card Account Summary Form, bank statement, original receipts, Transaction Log and any documentation to Department Head and/or Supervisor for approval. Please note that an independent review of each P-Card transaction must be made by someone other than the cardholder, specifically a direct supervisor that has budgetary responsibility for the department. The Department Head and/or Supervisor is responsible for ensuring that the cardholder has followed P-Card policy and signing the P-Card Account Summary as reviewed *with original signature*. *(No stamped signatures or signatures by another individual will be accepted).*

**Step 4:** Submit P-Card Account Summary Form, bank statement, original receipts, transaction log, any documentation and all appropriate signatures to P-Card Administrator for approval.

Purchasing Services will maintain all P-Card documentation in accordance with State of Georgia records retention policies.

Purchasing Card Violations

Orders should not be split to circumvent the open market limit of $5000. **Personal purchases are not allowed through the use of the P-Card.** Prohibited purchases, and/or items purchased but receipt is missing, will be reviewed on a case by case basis. Items purchased may be returned for
credit, or paid in full by personal check from the cardholder made payable to the University of West Georgia. Prohibited purchases may result in the loss of P-Card privileges. The Cardholder accepts the responsibility to ensure that items prohibited from purchase are not bought with the P-Card.

Violations of Policy

Violations of rules governing the use of P-Cards can be classified as minor or major. The suspension or revocation of the card is dependent upon the nature and frequency of the violation. Cardholders and Cardholder supervisors will be copied on all violations and supervisors will be consulted by the Purchasing Department before suspension or revocation occurs. Suspension or revocation actions cannot be overturned by the Cardholder or Cardholder Supervisor if the decision by the P-Card Administrator has been made. Internal Audit, Office of the Controller and the VP of Business & Finance will be notified of all major violations.

If it is determined by the P-Card Administrator that additional action should be taken to resolve the violation, the Cardholder, Cardholder Supervisor and Internal Audit will be notified of P-Card non-compliance and each department will proceed accordingly.

Personal misuse of the State's purchasing card, whether inadvertent or intentionally, will result in the cardholder’s name being reported to the Office of Internal Audit at the Board of Regents. The University has no latitude in reporting misuse. In addition, purchasing items on such purchasing card that are not authorized for purchase by such employee is a reportable offense.

Minor Violations are instances that are “accidental” and without willful intent. A Cardholder will receive two warnings for minor violations. A third violation within a fiscal year will result in the loss of P-Card privileges for a suspension period of one month. Additional minor violations will be reviewed on a case by case basis and action will be taken for additional suspension or a revocation of P-Card privileges. In the case of minor violations, P-Card privileges can be revoked for up to one year, after which time, the Department Head may request re-issuance of the P-Card for the affected individual. Examples of minor violations include but are not limited to:

- Delinquent Monthly Reconciliations and Statements
- Improper purchases made that are unauthorized or restricted
- Purchasing outside of state contract
- Defensive or untimely responses to P-Card Administrator
- Undocumented sales tax charge errors (action not taken to credit)
- Missing receipts

Major Violations indicate a willful intent to disregard P-Card program and State Purchasing rules. One major violation will result in loss of card privileges. Furthermore, the circumstances of the violation will reported to the Office of Internal Audit, Board of Regents, for any additional appropriate action, which could include termination of employment and/or prosecution. Individuals whose violation results in the termination of their card will not be permitted to obtain another P-Card. In addition to Prohibited Purchases, examples of major violations include but are not limited to:

- Repetitive purchasing of unauthorized or restricted items
- Splitting orders to avoid the single transaction limit
- Allowing others to use the P-Card
- Knowingly and intentionally making personal purchases

Upon a major violation or revocation of P-Card privileges the following offices will be notified:

- Internal Audit
- Office of the Controller
- VP of Business & Finance
- Office of Internal Audit, Board of Regents

Review of P-Card Transactions
**Department Head/Supervisor Review**
The Department Head/Supervisor is responsible for ensuring that all P-Card charges are reviewed on a monthly basis for appropriateness as to Purchasing Policy and fund. The individual conducting this review must sign the P-Card Account Summary Form to attest that the review has been completed and that charges are appropriate to the department.

**P-Card Administrator Review**
The P-Card Administrator is responsible for ensuring that all P-Card charges are reviewed on a monthly basis to be in accordance with State Guidelines.

**Controller’s Division Review**
A P-Card journal will be submitted to the Controller’s Office on a monthly basis. Monthly statistics regarding P-Card compliance will be provided to the Controller and Internal Audit Division.

**Internal Audit’s Review**
Internal Audit will continue, as part of their regularly scheduled audit plan for departmental audits, to perform testing on P-Card compliance. Findings discovered by Internal Auditing will be covered in their audit reports and reported to Procurement and the Controller. The President, Vice President of Business & Finance, and the respective Vice President of area reviewed will be included in the distribution of audit findings. The Associated Vice Chancellor for Internal Audit at the Board of Regents level will also receive a copy of the report at the time of final distribution.

**Provisions for Review**
The Office of Purchasing Services will review this policy annually and make changes as necessary.

**Legal Issues**

A. Failure to Comply with Laws, Policies, and Procedures
Cardholders or supervisors/approving officials who knowingly, or through willful neglect, fail to comply with the following may be subject to suspension or termination of card privileges or other disciplinary action, up to and including termination of employment and criminal prosecution to the fullest extent of the law.

1. Official Code of Georgia, Annotated (O.C.G.A.), sections related to governmental purchasing
2. Applicable requirements of the Georgia Procurement Manual
3. State Purchasing Card Policy
4. Internal policies and procedures governing procurement and the Purchasing Card Program.

The State Cards Program Manager and State Purchasing Division reserve the right to withdraw any authority or delegated approval due to non-compliance with applicable laws, rules, regulations, policies, and procedures, or the terms of any conditional approval.

B. Cardholder Background Checks
O.C.G.A. §50-5-83(b)(12) requires criminal background checks on all employees hired for positions that are eligible for P-Cards.

1. Existing Cardholders as of July 1, 2008:
   i. Agencies and Institutions must establish a schedule of criminal background checks for existing cardholders as of July 1, 2008, to ensure that backgrounds are checked prior to the next renewal date of the individual P-Cards.
   ii. If any criminal background check against existing cardholders reveals any misdemeanors or felonies related to financial wrongdoing, theft, or other act of dishonesty, the cardholder’s privileges are to be terminated immediately and notification sent to the State Cards Program Manager.

2. New Cardholders after July 1, 2008:
   i. For new cardholders after July 1, 2008, prior to receiving a P-Card, each Agency or Institution must perform criminal background checks on the prospective cardholders.
   ii. If any background check of new cardholders after July 1, 2008, reveals any misdemeanors or felonies related to financial wrongdoing, theft, or other act of dishonesty, the employee is not eligible to receive a P-Card.

C. Cardholder Credit Checks
In addition to background checks for new and current cardholders, O.C.G.A. §50-5-83(b)(12) also requires credit checks on all employees issued a purchasing card after July 1, 2008.

Guidelines for Interpreting Consumer Credit Checks
Appendix H

University of West Georgia
Human Resources

Guidelines for Interpreting Consumer Credit Checks to Comply with P-Card Policy

O.C.G.A. §50-5-83(b)(12) requires the university to conduct both criminal background and consumer credit checks on existing and future state purchasing cardholders. The responsibility for conducting these checks, and interpreting the results, rest with Human Resources. To guide HR in making reasonable and informed decisions, the University has adopted Credit Reporting Guidelines as provided by the Board of Regents. These guidelines are attached and made part of this policy. The following steps outline how Human Resources will interpret each of the 5 guidelines.

1. If a report shows that the employee has a student loan in default, the application for a card will be denied. If an employee has demonstrated good credit history for three (3) consecutive years since filing bankruptcy, an application will be approved.
2. Credit reports indicating installments in excess of 40% of gross monthly income are not acceptable and the application will be denied.
3. If the payment history on a credit report indicates a score of R4 or higher on one or more open accounts, the application will be denied.
4. One or more unpaid collections and judgments are considered to be bad credit and an application will be denied.
5. Mitigating factors regarding an applicant’s credit report, such as hardships and disputes with creditors, will be considered by the institution upon submission of objective written evidence, as long as the evidence presented, in the sole opinion of the institution, represents reliable evidence beyond the applicant’s control.
6. It is not the responsibility of the institution to discover research or verify that there are possible mitigating factors. The burden of proof to present mitigating factors rests entirely with the applicant.
7. In addition, if any exiting background check against existing and new cardholders reveals any misdemeanors or felonies related to financial wrongdoing, theft, or other acts of dishonesty, the cardholder’s privileges will be terminated and new cardholder applications will be denied.

It will be the employee’s responsibility to inform their supervisor if their request for application has been denied.
