

## UWGLive On-Site Lab System Requirements

The University of West Georgia encourages those close to UWG to utilize the UWGLive Simulation Lab inside the UWG Education Center; however, an on-site lab may be created at a remote location. The minimum system requirements are listed below.

<b>Display</b>	60"+ Monitor (no projectors)
<b>Dedicated Graphics Card</b>	2GB+ of VRAM
<b>Webcam</b>	Logitech Pro C920 HD, Logitech Quickcam Pro 9000, or equivalent
<b>System RAM</b>	8GB+
<b>Microphone</b>	Microphone should be built-in to webcam
<b>Network Bandwidth</b>	10 Mbps Down/2 Mbps Upload
<b>Ethernet Connection</b>	A reliable high-speed wired internet connect is required.
<b>Web Browser</b>	Firefox Version 52
<b>Speakers</b>	Your choice - may be part of your monitor
<b>Operating System</b>	Windows - 7,8,10 Mac - Yosemite, El Capitan
