

Oglethorpe Power Corporation Scholarship Application Packet

Application checklist

In order to be considered for University of West Georgia's Oglethorpe Power Scholarship, you must submit the following items to the Departmental Assistant in the Fusion Center lobby of the Ed Annex by March 6th at 5pm.

- _____ I. A typed completed UTeach Scholarship/Internship Application
- _____ II. A letter of intent, describing why the applicant is applying for the Oglethorpe Scholarship and what makes the applicant stand out from other candidates
- _____ III. A letter of reference in a sealed envelope bearing the authors signature on the back from either an UWG STEM or UTeach Faculty member
- _____ IV. An up to date résumé
- _____ V. An unofficial student transcript from Banweb

In order for your application to be considered, you need to have the above items completed and placed in a manila envelope, with this form completed attached to the front. Incomplete applications will not be considered for funding. By signing and dating below, you agree that all information included in this packet is accurate. Providing false information will also disqualify you from the selection process.
