

Thank you for your interest in our program. The laboratory preschool program at the Early Learning Center at UWG is a lottery-funded Bright From the Start Georgia Pre-K. We are excited to have 44 spots for students in the 2022-2023 school year. Families with children in the community, as well as UWG faculty/staff/students are invited to apply. Our future students must be 4 years old before September 1st, 2022.

We will be accepting applications from February 21 - March 14, 2022. The lottery drawing will be in the afternoon of March 21st. We will notify accepted families via email with registration information, including times and locations. Families will have until March 28th to complete the registration process.

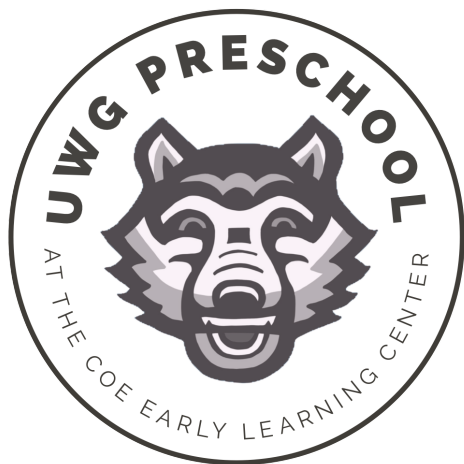

I am attaching a list of documents required to apply for registration. You can also visit our program website at <https://www.westga.edu/academics/education/uwgprek/>. Please feel free to contact the Early Learning Center if you have any questions or would like to set up a tour.

Thank you,

Ashley Poole
