Peach Lemonade

Total Time: 25 minutes

**Ingredients**

- 3 Peaches
- ½ cup of sugar
- 7 cups of water, divided
- 1 ½ cups fresh lemon juice (8-10 lemons)
- Ice

**Directions**

1. Cut peaches into quarters and place in a saucepan with sugar and 2 cups of water.
2. Bring to a boil, turn heat to low, and simmer for 5 minutes.
3. Let the mixture cool for 5-10 minutes.
4. While mixture is cooling, juice the lemons.
5. Place 1 ½ cups of fresh lemon juice into a pitcher.
7. Pour the cooled contents of the saucepan into a blender and blend until smooth (approximately 1 minute).
8. Pour contents of blender into the pitcher with the lemon juice.
9. Add the remaining 5 cups of water. Stir.
10. Pour into cups filled with ice and enjoy!
