

M.A.T. Accepted Degrees

Biology (6-12)
<i>Major Field of Study</i>
Agronomy
Anatomy
Animal and Dairy Science
Animal Health
Animal Nutrition
Animal Science
Athletic Training
Avian Medicine
Biochemistry
Biological Engineering
Biological Sciences
Biology
Biophysics
Botony
Cell Biology
Chiropractic, Doctor of
Community Health
Conservation Ecology
Crop Science
Dairy Science
Ecological Sciences
Ecology
Entomology
Environmental Economics
Environmental Economics and Management
Environmental Health
Exercise and Sports Science
Exercise Science
Fisheries and Aquaculture
Genetics
Health
Health & Physical Education

<i>Biology (6-12) (continued)</i>
Health Promotion and Behavior
Health Promotion and Education
Horticulture
Marine Science
Medical Microbiology
Medicine
Microbiology
Molecular Biology
Neuroscience
Nursing
Pharmacology
Pharmacy
Physical Therapy
Physiology
Plant Pathology
Plant Protection and Pest Management
Public Health
Science Education
Science Education/Biology
Sports Medicine
Veterinary Medicine
Veterinary Pathology
Veterinary Technology
Wildlife

(Broad Field) Science (6-12)
<i>Major Field of Study</i>
Aerospace Studies
Agricultural Engineering
Anatomy
Animal and Dairy Science
Animal Health

<i>(Broad Field) Science (6-12) (continued)</i>
Animal Nutrition
Animal Science
Applied Mathematical Sciences
Artificial Intelligence
Astronomy
Avian Medicine
Biochemistry
Biological Engineering
Biological Sciences
Biology
Biophysics
Botony
Cell Biology
Ceramics Science (or Engineering)
Chemical Engineering
Chemistry
Civil Engineering
Clothing and Textiles
Community Health
Crop Science
Dairy Science
Earth/Space Science
Ecological Sciences
Ecology
Electrical Engineering
Engineering
Entomology
Environmental Economics
Environmental Economics and Management
Environmental Health
Environmental Soil Science
Exercise and Sports Science
Exercise Science

M.A.T. Accepted Degrees

<i>(Broad Field) Science (6-12) (continued)</i>
Genetics
Geography
Geology
Health
Health and Physical Education
Health Promotion and Behavior
Health Promotion and Education
History of Science
Industrial Chemistry
Marine Science
Marine Science
Mechanical Engineering
Medical Microbiology
Medicine
Meteorology
Microbiology
Molecular Biology
Natural Science
Neuroscience
Nursing
Nutrition Science
Pharmacology
Pharmacy
Philosophy of Science
Physical Science
Physics
Physics and Astronomy
Physiology
Public Health
Science Education
Science Education/Biology
Science Education/Chemistry
Textile Sciences

<i>(Broad Field) Science (6-12) (continued)</i>
Veterinary Medicine
Veterinary Pathology
Veterinary Technology
Wildlife
Zoology

Business Education (6-12)
<i>Major Field of Study</i>
Accounting
Advertising
Business Administration
Economics
Finance
Management
Management of Information Systems
Marketing
Real Estate
Sports Management

Chemistry (6-12)
<i>Major Field of Study</i>
Biochemistry
Chemical Engineering
Chemistry

Earth/Space Science (6-12)
<i>Major Field of Study</i>
Astronomy
Earth/Space Science
Geology

<i>Earth/Space Science (6-12) (continued)</i>
Marine Science
Physical Science
Physics and Astronomy

Economics (6-12)
<i>Major Field of Study</i>
Any business degree
Any degree with 15 hours of Economics courses

English (6-12)
<i>Major Field of Study</i>
American Literature
British Literature
Classics
Comparative Literature
English
English Education
Linguistics
Literature
World Literature

History (6-12)
<i>Major Field of Study</i>
African American Studies
African Studies
American History
American Studies
Anthropology
Asian Studies
European History

M.A.T. Accepted Degrees

History (6-12) (continued)

Historic Preservation

History

Ministry

Political Science

Religion

World History

Math (6-12)

Major Field of Study

Actuarial Science

Aeronautical Engineering

Aeronautical Studies

Applied Mathematical Sciences

Artificial Intelligence

Astronautical Engineering

Ceramics Science (or Engineering)

Chemical Engineering

Civil Engineering

Computer Science & Mathematics

Electrical Engineering

Mathematics

Mathematics Education

Mechanical Engineering

Physics

Statistics

Physics (6-12)

Major Field of Study

Physics

Political Science (6-12)

Major Field of Study

International Affairs

Jurisprudence

Law

Political Science

Public Administration

Public Policy
