### M.A.T. Accepted Degrees

#### Biology (6-12)

**Major Field of Study**
- Agronomy
- Anatomy
- Animal and Dairy Science
- Animal Health
- Animal Nutrition
- Animal Science
- Athletic Training
- Avian Medicine
- Biochemistry
- Biological Engineering
- Biological Sciences
- Biology
- Biophysics
- Botany
- Cell Biology
- Chiropractic, Doctor of
- Community Health
- Conservation Ecology
- Crop Science
- Dairy Science
- Ecological Sciences
- Ecology
- Entomology
- Environmental Economics
- Environmental Economics and Management
- Environmental Health
- Exercise and Sports Science
- Exercise Science
- Fisheries and Aquaculture
- Genetics
- Health
- Health & Physical Education

#### Biology (6-12) (continued)

- Health Promotion and Behavior
- Health Promotion and Education
- Horticulture
- Marine Science
- Medical Microbiology
- Medicine
- Microbiology
- Molecular Biology
- Neuroscience
- Nursing
- Pharmacology
- Pharmacy
- Physical Therapy
- Physiology
- Plant Pathology
- Plant Protection and Pest Management
- Public Health
- Science Education
- Science Education/Biology
- Sports Medicine
- Veterinary Medicine
- Veterinary Pathology
- Veterinary Technology
- Wildlife

#### (Broad Field) Science (6-12) (continued)

- Animal Nutrition
- Animal Science
- Applied Mathematical Sciences
- Artificial Intelligence
- Astronomy
- Avian Medicine
- Biochemistry
- Biological Engineering
- Biological Sciences
- Biology
- Biophysics
- Botany
- Cell Biology
- Ceramics Science (or Engineering)
- Chemical Engineering
- Chemistry
- Civil Engineering
- Clothing and Textiles
- Community Health
- Crop Science
- Dairy Science
- Earth/Space Science
- Ecological Sciences
- Ecology
- Electrical Engineering
- Engineering
- Entomology
- Environmental Economics
- Environmental Economics and Management
- Environmental Health
- Environmental Soil Science
- Exercise and Sports Science
- Exercise Science
### M.A.T. Accepted Degrees

#### (Broad Field) Science (6-12) (continued)
- Genetics
- Geography
- Geology
- Health
- Health and Physical Education
- Health Promotion and Behavior
- History of Science
- Industrial Chemistry
- Marine Science
- Marine Science
- Mechanical Engineering
- Medical Microbiology
- Medicine
- Meteorology
- Microbiology
- Molecular Biology
- Natural Science
- Neuroscience
- Nursing
- Nutrition Science
- Pharmacology
- Pharmacy
- Philosophy of Science
- Physical Science
- Physics
- Physics and Astronomy
- Physiology
- Public Health
- Science Education
- Science Education/Biology
- Science Education/Chemistry
- Textile Sciences

#### (Broad Field) Science (6-12) (continued)
- Veterinary Medicine
- Veterinary Pathology
- Veterinary Technology
- Wildlife
- Zoology

#### Earth/Space Science (6-12) (continued)
- Marine Science
- Physical Science
- Physics and Astronomy

#### Economics (6-12)
**Major Field of Study**
- Any business degree
- Any degree with 15 hours of Economics courses

#### English (6-12)
**Major Field of Study**
- American Literature
- British Literature
- Classics
- Comparative Literature
- English
- English Education
- Linguistics
- Literature
- World Literature

#### Business Education (6-12)
**Major Field of Study**
- Accounting
- Advertising
- Business Administration
- Economics
- Finance
- Management
- Management of Information Systems
- Marketing
- Real Estate
- Sports Management

#### Chemistry (6-12)
**Major Field of Study**
- Biochemistry
- Chemical Engineering
- Chemistry

#### Earth/Space Science (6-12)
**Major Field of Study**
- Astronomy
- Earth/Space Science
- Geology

#### History (6-12)
**Major Field of Study**
- African American Studies
- African Studies
- American History
- American Studies
- Anthropology
- Asian Studies
- European History
### History (6-12) (continued)
- Historic Preservation
- History
- Ministry
- Political Science
- Religion
- World History

### Math (6-12)
**Major Field of Study**
- Actuarial Science
- Aeronautical Engineering
- Aeronautical Studies
- Applied Mathematical Sciences
- Artificial Intelligence
- Astronautical Engineering
- Ceramics Science (or Engineering)
- Chemical Engineering
- Civil Engineering
- Computer Science & Mathematics
- Electrical Engineering
- Mathematics
- Mathematics Education
- Mechanical Engineering
- Physics
- Statistics

### Physics (6-12)
**Major Field of Study**
- Physics

### Political Science (6-12)
**Major Field of Study**
- International Affairs
- Jurisprudence
- Law
- Political Science
- Public Administration
- Public Policy
