

Graduate Assistantship Full-Time Workload Form (Student)

This form should be completed only for a student who enrolls in fewer than 9 semester hours and is hired as a Graduate Teaching Assistant (GTA), Graduate Research Assistant (GRA), or Graduate Assistant (GA).

Graduate students must carry a full-time workload each term to be eligible for a Graduate Assistantship. To be considered full-time, a GTA, GRA, or GA must register for and earn 9 credit hours, or the equivalent, each term. An equivalent full-time workload (fewer than 9 semester hours) is defined by each graduate program and may be met through a combination of courses, work, research, or special studies that is approved by the College/School Dean and Director of Financial Aid.
