## **Graduate Assistantship Full-Time Workload Form (Student)**

This form should be completed only for a student who enrolls in fewer than 6 semester hours and is hired as a Graduate Teaching Assistant (GTA), Graduate Research Assistant (GRA), or Graduate Assistant (GA), unless the student is graduating and needs less than 6 hours to fulfil degree requirements.

Graduate students must carry a full-time workload each term to be eligible for a Graduate Assistantship. To be considered full-time, a GTA, GRA, or GA must register for and earn 6 credit hours, or the equivalent, each term. An equivalent full-time workload (fewer than 6 semester hours) is defined by each graduate program and may be met through a combination of courses, work, research, or special studies that is approved by the College/School Dean and Dean of the Graduate School.
