Please attach a typed description of the thesis that thoroughly addresses the following areas:

1. Thesis title.
2. Explanation of your interest in the subject and why it is an important issue to explore.
3. Explanation of what we already know about this topic or the existing research on it.
4. Description of the major tasks to be completed and/or the method of research.
5. Description of what you expect to find or claim.
6. Rough timeline for the project.
7. List of 6-12 key resources (e.g., books, materials, people, journals) that are needed for your thesis. Please use proper citations for text documents.
8. Description of the final product. Note that all theses require a significant written component that includes a scholarly review of the topic with appropriate sources cited.
