If you 1st arrived in the U.S. in 2020, even on the last day of December 31, 2020... RELAX – you have no tax forms or processes to do.

Everybody Else: Do you want a refund?

Then, you must file an individual tax return for a refund. Requirements are below.

The #1 Tax Question from International Students:

Q: I’m not a U.S. citizen, so why do I need to do this?
A: The US government might owe you a refund. If you don’t ask for it, you won’t get it. If you ever apply for a future visa, status or a Green Card, all tax records will be required for every year. Filing the proper tax form each year is the law, regardless of whether you had any income or employment the previous year. You may only need to file form 8843, which doesn’t mean you owe taxes, but you still have to file the correct form.
1. **Watch:** this short video intro above, from Sprintax.

2. Follow the easy steps provided on our revised ISAP tax information page. ISAP cannot assist you in preparing them or repeating the information session on an individual basis.

**Be aware:** the Sprintax code provided by ISAP is only for use by UWG international students who are enrolled or on OPT. Sharing the code with anyone else is a basis for termination of your status.

**BE AWARE: TAX SEASON IS ALSO FRAUD SEASON**

- ISAP has received reports that individuals pretending to be IRS agents may contact you via email or phone to apply pressure to get you to pay by phone. **Ignore them!** Ask ISAP first. Please watch this short **VIDEO** about tax fraud and help spread the word!

**Additional Information**

- **Quick reminder: Form 1098-T (T=Tuition):** It’s for citizens and permanent residents only, but all students receive the form. It’s not for nonresident tax returns. However, the form may be useful for your personal records in case your home country’s tax system asks you to document your foreign tuition expenses.

- **Thinking about Investing in Robinhood?** Sprintax has a useful [blog about this topic](#) and other such investment schemes. Be aware. As you go through your filing process in Sprintax, it will take care of these calculations for you if needed.

- **Regarding Form 1042-S** To get your 1042-S you need to email the Office of Student Accounts and Billing Services at [studentaccounts@westga.edu](mailto:studentaccounts@westga.edu)
IMMIGRATION EXTENSIONS, GRACE PERIODS & SUMMER ENROLLMENT

Not graduating yet? It’s your responsibility to check your I-20 program end date! If the end date is this semester, but you’re not graduating yet, you MUST request an extension before expiration. Otherwise, your status will automatically end. ISAP cannot fix that.

Graduating but not staying for OPT? You have an automatic 60-day grace period to stay in the U.S. Please see details at Current Students Maintaining Status.

Staying in the US till Fall? If you are a current student who will continue this Fall you are not required to enroll over the summer, but you can if you wish.
