Spring Semester: December 1
Rolling Admission: Yes

ADMISSION REQUIREMENTS

UNDERGRADUATE PROGRAMS
Students with less than 30 university-level credits will complete a new student application. Students with 30+ credits will complete a “transfer student” application.

Secondary School (High School) Transcripts: Students must provide an official copy of their secondary school transcripts to the International office. Physical copies by post, or electronic copies by email are acceptable. The University reserves the right to request a foreign credential evaluation in certain situations, or for any post-secondary coursework.

Standardized Exam Scores: SAT or ACT are required*. Minimum Required Scores: SAT 1150 (Critical Reading & Math), SAT 23, ACT 19.* Minimum required scores are IELTS 6.5 or TOEFL iBT 93.

Transfer Applicants: If you already have more than 30 university credit hours, you do not need to submit high school transcripts or SAT/ACT scores. However, transcripts of all university level credits without American accreditation must be evaluated by an accredited foreign credential evaluation service. The evaluation must include: a course-by-course evaluation with a GPA conversion, and a certified English translation if the original transcript is not in English. The evaluation may be conducted by an organization listed with one of the following organizations: NACES.org or AICE-EVAL.org.

GRADUATE PROGRAMS
Each graduate degree has unique, program-specific admission requirements. Please see: westga.edu/gradstudies/ Graduates, in addition, all international applicants must satisfy the requirements below.

Undergraduate Transcripts: University coursework transcripts must receive a foreign credential evaluation in English if the university does not hold American accreditation. Evaluation must include a course-by-course evaluation with a GPA conversion, and be conducted by an organization listed with one of the following organizations: NACES.org or AICE-EVAL.org.

English Proficiency Exam*: If English is not an official language of your home country, you must sit for an English Proficiency Exam. The university prefers the IELTS or TOEFL exam, but other test versions can be accepted. Minimum required scores are IELTS 6.5 or TOEFL IBT 93.

TOUITION WAIVERS (SCHOLARSHIPS)

Refining well-qualified international students is a top priority and part of our mission. In support of this goal, we have developed an Out-of-State Tuition Waiver program, which could save you more than $15,000 in tuition per academic year. Waivers are limited and not guaranteed. Application for a tuition waiver is made after admission to UWG. Our office also assists international students with on-campus employment and securing off-campus authorization for paid internships and post-graduation work authorization throughout the U.S.

SEMESTER EXPENSES

All expenses are for the 2019-2020 academic year and are subject to change. For more information, visit westga.edu/bursar. All fees are approximate, and are based on total enrollment hours.
