Tanner Health System

School of Nursing

Part –Time Clinical Faculty Positions

“Educational Excellence in a Caring Environment”

The Tanner Health System School of Nursing is seeking part time clinical adjunct faculty. Adjunct faculty are critical to the mission of the school. These positions are available every semester. Responsibilities include managing a group of nursing students in a clinical setting week to week throughout the semester.

**Qualifications:** Applicants must hold a Registered Nurse license in the state of Georgia with at least one year of clinical practice experience. A baccalaureate degree in nursing is required, a master’s degree in nursing is strongly preferred.

**Interested Applicants:** Applications are accepted year round and will continue until positions are filled. Please send your letter of application (emails applications preferred) with curriculum vitae to Shannon Gordy, Clinical Placement Specialist at sgordy@westga.edu and CC to Connie Barbour, Associate Dean of Undergraduate Programs, School of Nursing at cbarbour@westga.edu.

*The University of West Georgia is an Affirmative Action/Equal Opportunity Employer.*

*Please be advised that should you be recommended for a position, University System of Georgia Board of Regents policy requires the completion of a background check as a prior condition of employment.*
