

**SCHOOL OF NURSING**  
**MASTER OF SCIENCE IN NURSING PROGRAM**  
**POSTMASTER'S CERTIFICATE**  
**HEALTH SYSTEMS LEADERSHIP**

**CLINICAL NURSE LEADER ROLE**

The Postmaster’s Certificate for Clinical Nurse Leader is designed for a registered nurse who has earned a master's degree in another nursing specialization and wishes to be eligible to take the CNL certification exam. To be granted the postmaster’s certificate, students must complete a minimum of 10 credit hours at the University of West Georgia Tanner Health System, School of Nursing including 425 clinical practicum hours.

Postmaster's CNL students must successfully complete graduate didactic and clinical requirements of the MSN CNL program. A GAP analysis of the applicant’s transcript will be completed to determine if additional courses are required to meet the certificate program guidelines. These courses include but are not limited to N6103 Health Promotion and Advanced Health Assessment, N6106 Pathophysiology and Pharmacology I, and N6107 Pathophysiology and Pharmacology II.
