Tenure-Track Nurse Faculty Position

“Educational Excellence in a Caring Environment”

The University of West Georgia (http://www.westga.edu/) is a growing regional, comprehensive university with an enrollment of over 13,000, including students from 42 Georgia counties and 37 states. Our diverse student population includes representation from 72 countries, is 37% Black/African American and 66% female. The vision of the University of West Georgia is to be the best comprehensive university in America-sought after as the best place to work, learn and succeed! Our bold strategic plan promotes inclusiveness and commitment to celebrating diversity. UWG is an innovative, progressive leader in online instruction and is committed to supporting faculty growth in all facets of scholarship, teaching, and learning.

The University of West Georgia Tanner Health System School of Nursing strives for “educational excellence in a caring environment” with over 500 students in graduate and undergraduate programs. Designated as a Center Of Excellence by the National League for Nursing, SON instructional facilities are state of the art including spectacular lab and simulation spaces in Carrollton and Newnan. Undergraduate programs include a pre-licensure BSN program and a 100% online RN to BSN program. Graduate programs are also online and currently include a MSN program (Nurse Educator Track or Health Systems Leadership Track with an option for the AACN Clinical Nurse Leader Role), as well as an innovative EdD in Nursing Education program.

Position Description and Qualifications: Tenure-track academic-year faculty appointment available with a start date of January 1st, 2021. Nurse practitioner applicants are sought as well as nurses in all clinical specialty areas and those with backgrounds in informatics, nursing education, and nursing leadership. Responsibilities include graduate and undergraduate teaching in online and traditional classroom settings; simulation, laboratory and clinical instruction; and scholarly productivity in a supportive environment.

Applicants are required to hold a graduate degree in nursing with a clinical background in specialty area(s), an earned doctorate in nursing or a related field, and have an active RN license to practice nursing in the state of Georgia (eNLC).

Preferred Qualifications: Certified nurse practitioners with doctoral degrees are strongly encouraged to apply. Teaching experience, ability to work with diverse populations of students, and evidence of a scholarly program are also preferred. Rank and salary are commensurate with qualifications and experience.

Interested Applicants: Review of applications will begin immediately and continue until the position is filled. Please send your letter of application, three letters of recommendation, and curriculum vitae to:
