REQUIRED for students engaged in research supported by NSF or NIH.

Here is how to log into CITI, set up your free account, and meet the minimum training requirement.

To register for a new CITI account, select “Register” from the CITI home page.

https://www.citiprogram.org/

Use the drop down list to find and select UWG.

Then continue to step 2.

Enter your name and email address. If you are a West Georgia Student, use your ...@my.westga.edu email.

Continue to step 3.

Choose a user name and password. Answer the security question. This will be used to assist in the recovery of your account if you forget your user name or password.

Continue to step 4.
Once you have completed registration, you will receive a validation email to the address provided in step 3.

** If you have any questions about registering **
contact the University Research Compliance Office at 678/839-4749, or charlac@westga.edu

Students engaged in research on NIH funded projects will have additional face-to-face training with their faculty mentor or project PI.
