DevelopWest Terms	Function
1. See What's New	DevelopWest home screen.
2. View My Plan	View your Assigned and Personal learning folders for content that has been assigned to you by your manager or things you've saved for yourself.
3. Browse the Catalog	<p>Search the catalog for selected topics in the Skillsoft Library or for UWG Specific content. By clicking on a topic in the Library you can further refine your search by topic or by typing in specific search terms.</p> 
4. Search block	<p>Type in a specific search term to return a list of courses, books, etc related to your topic. On the left you can then further refine your search if needed.</p> 
5. To Do List	Clicking on this link will show you a list of things that are due to be completed by you.
6. My Profile	By clicking My Profile you can add a picture and other personal information to your DevelopWest screen.
7. Promoted Assets	New to DevelopWest are Promoted Assets. These are courses, books, etc that have been identified as being relevant and important to employees. This information will rotate based on course availability and campus need.
8. Quick Links	<p>The Quick Links dropdown provides access to:</p> <ul style="list-style-type: none"> <li>• Learning Transcript – access courses that are in progress or completed and/or print a certificate of completion.</li> <li>• Admin Link – Managers can now access the Admin information related to assigning content and running reports through this link. The Admin side of the new DevelopWest has not changed.</li> <li>• Take a Virtual Tour – this link provides a virtual tour of the new and improved DevelopWest site.</li> </ul>
