The content of this presentation was the most up-to-date information available at the revision date. However, policies, procedures and guidelines may be updated during an academic year. Please refer to the University Policy website for the most current version of these policies, procedures and guidelines.
Learning Outcomes

- Understand how to access the ePAR system
- Understand how to initiate an ePAR
- Understand the workflow routing for ePAR transactions
- Identify the appropriate type of action and reason for action for ePAR forms
- Approvers will understand how to access and approve forms that are awaiting their action
- Locate additional resources and information regarding ePAR’s
What is ePAR?

- Electronic personnel action request form
- Replaces the current paper PAR form with an electronic version
- Lifecycle tracking
- Electronic workflow to all approvers
How do I access ePAR?

- System = Core Integrator
- [https://uwgforms.westga.edu](https://uwgforms.westga.edu)
- Login using your UWG credentials

Workflows & Archives

- **Workflows & Archives**: Identifies the workflow routing
- **Assigned to You**: ePAR’s that need action by you
- **In Progress**: Allows you to see where an ePAR is located; can only see ePAR’s that you have initiated or approved
- **Finished**: Allows you to view completed ePAR’s that you have initiated or approved
Start a New Workflow

➢ Start a new ePAR Form
Reports & Analysis

• Pre-defined Reports
Starting an ePAR

- Initiator can initiate for anyone
- An approver cannot make changes; only the initiator
- If a form needs to be revised, it must be rejected back to the initiator
- As you enter general information in the top section, additional fields will populate below
- Can’t enter any information into the gray fields
Starting an ePAR…PAR Summary

- Required Field
- Enter details as to the purpose of the ePAR
Starting an e PAR...PAR Summary

- Enter PAR employee’s 917#
- Time Approver – the individual who will be approving time and absences for the employee on the PAR (defaults to “Reports To” supervisor if not indicated)
- Time Approver Employee ID
- Two questions related to the employee on the PAR
Starting a PAR

- All transactions start with a OneUSG position #
- OneUSG provides a daily update to the information in ePAR
- PAR form will only ask you to complete the fields that are relevant to the position action
- Initiator has two actions - Submit or Cancel
  - Submit – routes to next level approver
  - Cancel – deletes the form, the workflow and all associated comments or notes
Starting an ePAR

- When exiting the form you must either click the Save icon or the Submit button
- Will lose data entry if you click on the Home button
- Anyone in workflow can add/view Comments…comments should be related to position request
- Approver history is tracked on History tab as the form moves through workflow
- Anyone in workflow can also attach documents in Related Documents…be cognizant of privacy issues
- Execution ID is ePAR#
Printing an ePAR

- You can now print an ePAR as a PDF file
- Printable Version shows up as a related document
- Updated after each approver action

Supervisor Changes

• All Reports To and Time and Absence Approver changes must be submitted on the ‘Reports To Supervisor/Time Approver Change Form’
  ➢ Budget > Budget Information > Budget Forms
  ➢ Send completed form to Budget Services

• Reports To Manager – responsible for direct supervision and evaluation; recorded as the Supervisor in PeopleAdmin. Also has the ability to take personnel action on the employee

• Time & Absence Approver – responsible for approving reported time and leave requests for the employee
# Reports-To Supervisor/Time Approver Change Form

**Instructions:** Complete this form and submit when you plan to make an organizational structure change to a position’s “Reports-To” Supervisor and/or an employee’s Time and Absence approver. Budget Services and Human Resources will use this information to update OneUSG and/or PeopleAdmin in order to ensure proper routing of Timesheets. Leave Requests/Reports, and Performance Appraisals. If you are requesting any changes outside of supervisory changes (e.g., salary changes, title changes, etc.), you must submit a Personnel Action Request (PAR/PAR). Once completed, please send this form to Budget Services in Aycock Hall, Room 239.

## What’s Changing*: (check each box that applies)

- [ ] **Update “Reports-To” Supervisor** – Responsible for direct supervision and evaluation. This position will be the “one-up” in the organizational chart and the position Supervisor in PeopleAdmin. When this data element changes, it changes for everyone hired in the position. For multi-incumbent positions (students, temporary labor, etc.), a form will be required for each employee.

  - **Effective Date of Change** *(Must be beginning of future pay period)*
    - **Department:**
    - **Report To/Supervisor:**
    - **Current Reports To/Supervisor:**
    - **New Reports To/Supervisor:**
    - **Current Reports To Position Number:**
    - **New Reports To Position Number:**

- [ ] **Update Timecard Approver** – Responsible for monitoring and approving employee time.

  - **Effective Date of Change** *(Must be beginning of future pay period)*
    - **Department:**
    - **Report To/Supervisor:**
    - **Current Time Approver:**
    - **Current Time Approver Emp ID:**
    - **New Time Approver:**
    - **New Time Approver Emp ID:**

Original forms are due by the Payroll Processing Date to Budget Services to impact the current pay period. Any forms received after this date will be processed on the next pay period. This means the current Reports-To and Time Approver will be responsible for any action needed for the employee to be paid on the current payroll. To maintain accurate employment files, please complete this form for each employee that will require the change.

**Certification:** I have reviewed the above changes and certify that I agree to assume the indicated supervisory responsibilities for the employees listed above. I certify that my scope of work and job description includes the supervision of employees and other duties assigned to me via this change. I certify the employee has also been informed of this change.

ePAR Workflow

- Workflow is determined by:
  - Type of action (hire or change)
  - Pay group
Approvers

- Will receive an email notification for any New Task that has been submitted
  - Emails will be generated at 7am and 1pm (M-F)
  - Email generated if approver has something in Task list at that point in time
Access items to approve in the Workflows & Archives Section. Ensure the “Assigned to You” radio button is selected.

Pay close attention to the “Action” Button (Process vs. View).
Refresh your worklist by clicking on the Personnel Action Request link.
Approvers – Out of Office

- ePAR system is available from anywhere
- Can access via laptop or tablet
- If out on vacation or extended medical leave, contact Workflow Administrator (CBE) to request an alternate approver be established
- If approving as an alternate, transactions will be highlighted in yellow in alternate’s worklist
The electronic personnel action request (ePAR) is the electronic form to process hiring, pay and termination transactions for all employees.
