

Monitoring User Progress of Training Modules and Printing a Certificate of Completion

1. Sign into **Develop West** www.westga.edu/developwest. Your User ID and Password will be your UWG network credentials.
2. Under **Quick Links**, click the **Completed Courses** link.
3. Users will see a list of all courses. There are filters on the top right or one can search through the list. Under the **Completed** column you can see what % you are done or the date the course was completed.
4. For courses that have a completed date, scroll all the way to the right and select **Actions** and then select **View Certificate** to view and/or print a certificate of completion.
