

SAC Updates, Discussion and Gossip

Speaker – Ryan Bronkema, Director of First Year Student Initiatives, Speaker

- Searching for a University Dean in January
- First year programs used to be UWG 1101 – Living Learning Communities
- Center for Interdisciplinary – combining multiple degrees based on student directive
- Gunn Hall – no longer student housing – relocating offices to Gunn
- Project Wolves – workforce development program to increase employability and life skill development
- University Colleges also at Kennesaw and University of North Georgia
- The focus is predeclared majors – 1st 2 years
- Classes for first year programs can be taught with a Master's Degree – Faculty proposal
- Contract – hourly – professional development, salary – pay \$2000 taxed
- Fall only – October recruiting, applications due mid-January
- Center for Academic Success – employed students with A's – can be certified to get more money – students have drop in times to get help
- Interim Dean – David Newton
