#### I. APPROVAL OF MINUTES FROM PREVIOUS MEETING:

- The minutes from the previous meeting was approved by a voice vote.

#### II. ARLENE HORNE (RESPONSIBLE CONDUCT AND RESEARCH POLICY)

- Dr. Arlene Horne updated the committee with the new guidelines for responsible conduct and research policy.
- These policies are federally mandated. Every university receiving federal fund is required to have these policies in place.
- These procedures are to help UWG faculty maintain the highest level of integrity in research.
- The policy is created with the idea of protecting the accused and the accuser. The policy outlines what happens when you report and investigate misconduct.
- The policies fit in with the BOR policies.
- The policy is posted on the research website and suggestions and comments are welcome.

#### III. FRIDAY CLASS SLOTS

- Theatre was the only department to express an interest using these Friday time slots.
- It was mentioned in the meeting that CoE had received instruction from their associate dean that is a class meets less than 4 times a semester then it has to be scheduled on a Friday.
- Dr. Ursula Thomas mentioned that these time slots would not work for their college.

- It was also remarked that CoB may offer once a week MBA classes to meet Friday afternoon.
- Motion to put the proposal for vote at the next faculty meeting was approved by a voice vote. (Yes – 15, No – 0).

#### IV. TRANSIENT STUDENT POLICY

- The discussion started with how equivalent courses taken elsewhere may be approved to count towards a student's major.
- A transient student needs to fill out a form before and obtain approval (signature) of his or her advisor, the chair of the appropriate department and the dean/designee of their major college to determine if the course will be accepted as transfer credit at UWG and count towards the student's degree. This has to be done **prior** to taking the course elsewhere.
  - The new form will now need to have an extra line to accommodate the appropriate chair's signature.
- It was considered that the Registrar's office does not have an obvious link for 'Transient Students'.
  - It was suggested to add a link under 'Registration for Transient Students'. The new policy will replace the current policy under undergraduate > academic policies.
- Donna Haley requested the committee to include the information the graduation policy states by which a student cannot take a course elsewhere during his or her last semester at UWG or else his or her graduation will be deferred by a semester.
  - This information was added to the policy.
- The policy was voted upon and approved by a voice vote (15 – Yes, 0 – No) and will now be presented at the faculty senate meeting.

#### V. SACS COMPLIANCE

- The committee needs to review SACS compliance for 4 different categories. We need to provide documentation showing that the University is meeting the SACS compliance.
  - One category has been done and just needs to be reviewed.
- Solid draft is to be prepared by the end of Dec to be submitted to the VPAA office.
- Committee has to read and familiarize with relevant related documents.
- Subcommittees were created to tackle each of the 3 different areas.
  - Subcommittee I
    1. Suzanne Durham
    2. Ron Reigner
    3. Ayona Chatterjee
    4. Rob Kilpatrick

- Subcommittee II
  1. Lisa Gezon
  2. Myrna Gantner
  3. Bonnie Adams
  4. Dona Jones
  
- Subcommittee III
  1. Michael Hopper
  2. Ursula Thomas
  3. Richard Lemke
  4. David Leach

## VI. GRADE APPEALS POLICY

- Dr. Myrna Gantner pointed out the changes to the existing grade appeals policy. Most changes were editorial.
- The change will accommodate students to initiate an appeal for a single test/assignment before the end of the semester.
- It was agreed by the committee not to include a separate mention for online courses when discussing academic dishonesty. The committee felt that it was obvious that 'courses' implied all types of courses including online.
- Two issues were raised in the meeting about electronic translators and excessive collaborations by Dr. Kilpatrick and Dr. Adams respectively. Both are to be considered as academic dishonesty.
  - These changes were accommodated in the new policy.
- Some clarification was requested about not having teaching assistant grade major tests. The policy now specifies that graduate teaching assistants or professors can only grade major test/quiz/assignment.
- Dr. Kilpatrick pointed out if the grade appeals subcommittee should have representation from all colleges.
  - Dr. Gantner pointed out that it is a good idea but it is hard for organizing an appeals meeting with everyone in attendance.
  - The policy wording was changed to include representation from all department but only 3 faculty members need to be present to have a quorum.
- The motion was moved to agree to the changes to the Grade appeal policy. The motion was approved by a voice vote ( Yes – 15, No - 0)

Submitted respectfully
