 - 1. HONR 2102 – Sophomore Honors Colloquium: Inquiry
REQUEST: ADD - In an effort to increase retention of students within the Honors College, we are instituting these three one-hour colloquia. The aim of the colloquia is to get students thinking early about undergraduate research and a research project that will ultimately be their Honors College thesis. An additional benefit of these colloquia is to provide a community of other Honors College students to help students feel like they belong in the Honors College and to keep students engaged with the Honors College and Honors Curriculum.
 - 2. HONR 3102 - Junior Honors Colloquium: Engagement
REQUEST: ADD – continuation of above course
 - 3. HONR 4102 - Senior Honors Colloquium
REQUEST: ADD - The Senior colloquium provides thesis writing support for students, not with respect to content but with respect to process and expectations.

Giving students guidance about structure, source citations, presenting data and analysis, and professionalism in presenting their work.
