A study of total enterprise at the executive level applying a set of decisions and actions which result in the formulation and implementation of plans and strategies that achieve the mission and goals of the enterprise with special consideration of the effects of globalization, ethics, and corporate accountability.

Request: Modify (pre-requisites of MKTG 6815 and FINC 6532)

Rationale: Students who attempt to take MGNT 6681 without these prerequisites are not prepared to complete the class successfully.

Attachment: None (See <https://apps.westga.edu/catalog/>)

Action: Approved with the following prerequisite statement noted:

Prerequisites: MKTG 6815, FINC 6532. Class must be taken within 15 hours of graduation.

B. College of Education

1. Program Modification

a. Department of Learning and Teaching

i. Program: Specialist in Education with a Major in Special Education (Originator Bucholz, Jessica). Modification details: The proposed changes consist of eliminating the electives, adding a required course on diversity, and adding 1-credit hour to the three research courses to reflect the level of work required in these courses. This will change the program from nine courses to eight courses, allowing students to take two courses a semester

and finish the program in in four semesters. In order for the sequence of courses to be offered to best meet the needs of the program (including IRB approval for the research study) candidates will only be able to enter the program in the fall and spring semesters. We request changes to the admissions requirements to include that all students must have a clear renewable professional certificate or equivalent in special education and a MEd in special education or a related field. Additionally, students must have a GRE score of at least 150 Verbal, 144 Quantitative, and 3.5 Analytical Writing. The change in admission requirements is to increase the quality of our applicants. Rationale: rationale is same as the modification details. Attachment: None (See <https://apps.westga.edu/catalog/>)
Action: Approved

3. Unfinished business from 2013-14 GPC

A. Electronic Submission of Theses and Dissertations via ProQuest Subcommittee

Susan Welch informed the committee that Jane Simpson was in agreement that a ProQuest agreement with the university is not necessary. Ms. Simpson recommended that Lisa Elliott from purchasing be contacted regarding whether or not a 3rd party agreement with ProQuest is necessary. Susan Welch contacted Ms. Elliott and is awaiting a response.

Previously, the committee approved the plan to pilot ProQuest submissions of Electronic Dissertations and Theses (EDTs) this summer with College of Education students. The subcommittee—consisting of Hema Ramanathan, Susan Welch, and Lara Willox—will work with UWG Auxiliary Services to ensure proper processing of any contractual agreements required for setting up the free EDT Administrator System with ProQuest. They will also be revising the Dissertation and Theses policies published at www.westga.edu/gradstudies.

Action: ongoing

B. Graduate Student Summer Library Privileges Subcommittee

Lynn Anderson, Chair of the Graduate Summer Library Privileges Subcommittee, distributed and reviewed the subcommittee's recommendations of June 6, 2014. The committee voted unanimously for recommendations one, two, and three of the Graduate Student Summer Library Privileges Subcommittee Recommendations to move forward to the UWG Policy committee as a Senate item for a new policy creation.
