ARTICLE III. BY-LAWS OF THE FACULTY SENATE

A. ORGANIZATION
   1. Composition of the Senate (Revised Month DD, YYYY)

The Senate shall be comprised solely of the voting members of the General Faculty as defined in Article I, Section 2C of the Statutes. Its membership shall include:

   a. The President, an ex-officio (nonvoting) member;

   b. The Provost and Vice President for Academic Affairs, an ex-officio (nonvoting) member;

   c. Chair of the Senate;

   d. Chair-Elect of the Senate, an ex-officio (nonvoting) member, or Past Chair of the Senate, and ex-officio (nonvoting) member;

   e. Duly elected senators, apportioned to each college, the School of Nursing and the Library, such that the number of senators allocated to each unit shall equal 10% of their full-time faculty. The Library and the School of Nursing shall elect their senators at large. For the colleges, each department within a college elects one senator and the remaining senators allocated to that college are elected at-large by the college. Should any department fail to elect a senator in an election cycle for which it has a vacancy, that vacancy will be added to the at-large pool for its college for that election.

   f. Executive Secretary

The last time there was a reapportionment of the Senate, this was the process that was used:

Committee XIII: Rules Committee (Chair, Chris Aanstoos)

Action items: A. Allocation of Senators - To replace Article IV, Section 2, A, 5 of the Policies and Procedures Manual

MOTION: To replace Article IV, Section 2, A, 5 of the Policies and Procedures with the Page 8 of 77 addition of the following:
Forty-five duly elected senators, apportioned as follows: College of Arts and Humanities, thirteen, including one elected by each of its six departments and seven elected by the college at large; College of Social Science, six, including one elected by each of its five departments and one elected by the college at large; College of Science and Mathematics, nine, including one elected by each of its six departments and three elected by the college at large; Richards College of Business, five, including one elected by each of its four departments, and one elected by the college at large; College of Education, eight, including one elected by each of its four departments and three elected by the college at large; the School of Nursing, two, elected by the School at large; the Library, two, elected by the Library at large.

Recommendation made that the following sentence be added to proposal: In the event that a department does not elect a senator, that seat will revert to the college at large.

Motion was withdrawn by committee chair.

B. Re-election of incumbent senators - To revise the current statement in Article IV, Section 2, F, 1 of the Policies and Procedures Manual

MOTION: To revise the current statement in Art. IV, Sec. 2,F,1 of the Policies and Procedures Manual with the following changes (highlighted material = additions; strikethrough material = deletions):

F. Election of the Faculty Senate The following shall be the rules which govern election to the Senate, with the exception that in any year in which a college is reorganized in such a manner as to affect the ability to adhere to these rules, the Senate shall have the authority to allow exceptions to these rules as it may deem necessary.

1. Senators shall be elected for a term of three (3) years from the General Faculty, excluding the Officers of Administration named in Article III. Academic department chairs, however, shall be eligible for election. Terms shall be staggered with one-third elected each year. Senators may be re-elected; however, no senator shall be eligible for re-election until at least one (1) year after completion of his or her previous second consecutive full (three-year) term. Unexpired terms due to permanent loss of a senator shall be filled by election from the unit of the senator whose term is to be filled. Serving out an unexpired term does not exclude a senator from consideration at the next election.

Motion and second to revise the proposal as follows was approved.

The following shall be the rules which govern election to the Senate, with the exception that in any year in which a college is reorganized in such a manner as to affect the ability to adhere to these rules, the Senate shall have the authority to allow exceptions to these rules as it may deem necessary.

1. Senators shall be elected for a term of three (3) years from the General Faculty, excluding the Officers of Administration named in Article III. Academic department
chairs, however, shall be eligible for election. Terms shall be staggered with one-third elected each year. Senators shall serve no more than two full terms consecutively.
