Student Affairs Committee Meeting Summary
11 am - noon, March 11, 2015, College of Nursing Room 345
Members present: Sharmistha Basu-Dutt, Judy Butler, Neal Chestnut, Myrna Gantner, Susan Hall Webb, Denise Morris, Helen Diamond Steele, Matt Varga, Rui Xu

At the committee’s meeting, Dr. Alicia Caudill was invited to communicate with the committee on how they can get involved. She shared the most current student handbook with the members present and encouraged them to provide input to make this a more valuable resource for the students. Some members expressed concern about not being able to contribute to the student services related policies and procedures in the book. Dr. Caudill said that the committee could focus on academic policies and procedures if this was their comfort zone.

Sharmistha shared some concerns about UWG Cares and the lack of communication between faculty reporting students and Student Services. Dr. Caudill made a note to try to find a better way to communicate with all parties involved.

Judy Butler was announced to be the Chair of the committee for 2015-16. Congratulations, Judy!
