University of West Georgia
Faculty Senate Meeting
Draft Minutes
September 9, 2016

1. Call to order

Dr. Farmer called the meeting to order at 3:07 p.m. in TLC 1-203.

2. Roll call

Present:

Absent:

Hipchen, Lee, Lopez, McGuire, Rutledge, Schoon, Velez-Castrillon

3. Minutes

A) Approval of minutes from April 22, 2016 occurred via email.

B) Correct the March 25, 2016 minutes from UPC: PHIL 3230 Islamic Thought should be changed to PHIL 3520 Islamic Thought, since 3230 is an unavailable course number.

Note: PHIL 3520 was corrected to PHIL 3250 prior to voting.

C) Correct the March 25, 2016 minutes from GPC: POLS 6210 Disaster Management should be changed to POLS 6211 Disaster Management, as the former prefix and number are in use in a course called Politics of Government Change.
D) Add an information item to the January 29, 2016 minutes from GPC: the admissions procedure for the Certificate in Non-Profit Management and Community Development was changed from 3 to 2 letters of recommendation.

E) Correct the December 2, 2015 minutes from UPC: CISM 3335 was submitted as a “Modify” item but was to be an “Add” item.

All corrections and the addition of the information item were taken as a block and approved unanimously. Previous minutes are to be amended to reflect these changes.

Action Item:

A) Proposal to require the MOWR Minor Acknowledgement form of all MOWR students

On April 22nd, 2016, the Faculty Senate approved the ad hoc committee of APC’s proposal for admitting 10th grade students to UWG’s MOWR program. As part of their admission, the student and his/her parent(s) or legal guardian(s) would complete a Minor Acknowledgement Form. The APC proposes that the following form be required of all MOWR students, not just 10th graders:

I, the undersigned below, in consideration of my child’s or ward’s participation in The University of West Georgia’s Dual Enrollment Program (“Program”), including, but not limited to any related activities such as training, preparation, and travel, wherever the travel, training, and preparation may occur, acknowledge that I am aware that my child is below the average age of a University student. I understand that my child intends to register in the Program, which has classes that may feature mature subject matter not designed specifically for students under age 18; and that The University of West Georgia accepts no responsibility or liability for any extraordinary supervision of students enrolled in the program.

I agree that while my child or ward participates in the Program, she/he shall be bound by the rules, regulations, policies and procedures expressed in Undergraduate Academic Policies as are other students enrolled in the undergraduate curriculum. Specifically, she/he will be held accountable for the deadlines and final exam schedule posted by the Registrar’s office. Further, final grades will be reported only as letter grades as they are for all other undergraduates; no numerical equivalent will be assigned for the purposes of ranking student achievement.
In consideration of my child’s or ward’s participation in the Program and on my child’s or ward’s behalf, and on behalf of my child’s or ward’s heirs, executors, administrators and next of kin, I hereby release, covenant not to sue, and forever discharge the Released Parties (as defined below) of and from all liabilities, claims, actions, damages, costs and expenses of any nature arising out of, related to, or in any way connected with my child’s or ward’s participation in the Program, and further agree to indemnify and hold each of the Released Parties harmless from and against any and all such liabilities, claims, actions, damages, costs and expenses including by way of example, but not limited to, all attorneys’ fees, costs of court, and the costs and expenses of other professionals and disbursements up through and including any appeal. I, for myself and my child and/or ward, understand that this Release and indemnity includes any claims based on the negligence, action or inaction of any of the Released Parties and covers bodily injury (including, without limitation, death), property damage, and loss by theft or otherwise, whether suffered by my child or ward either before, during or after such participation. I declare that my child or ward is physically and emotionally fit and has the maturity level required to participate in the Program. I further authorize medical treatment for me and/or my child or ward, at my cost, if the need arises. For the purposes hereof, the “Released Parties” are: The University of West Georgia, the Board of Regents of the University System of Georgia, and the officers, directors, employees, agents, representatives, successors, assigns and volunteers of each of the foregoing entities. I also agree that during the time my child or ward is involved with the Program, he/she is bound by all rules, regulations, policies, procedures and guidelines governing their conduct as set forth by The University of West Georgia’s Student Code of Conduct and all applicable program requirements.

Dr. McKendry-Smith pointed out that the minor acknowledgement form, approved previously for 10th graders, applies to all MOWR students and proposed that the document be required for 10th, 11th, and 12th graders in the program. Dr. McCord asked if the document was legally binding, as her work with adolescents in public school systems involved the “in loco
“parenthesis” classification that made school officials responsible for adolescents in their charge. Dr. Gantner noted that this classification would not apply to MOWR students.

*Item approved unanimously via voice vote.*

**Committee XIII: Rules Committee (Susan Welch, Chair)**

**Action Items (see Addenda III):**

H) UWG Faculty Handbook Modification of Section 203

1) UWG Faculty Handbook

   a) Section 203, Class Roster

      Request: Modify

*Item approved unanimously via voice vote.*

I) UWG Faculty Handbook Modification of Section 205

1) UWG Faculty Handbook

   a) Section 205, Reporting Grades

      Request: Modify

   *Dr. Welch shared the modifications made to Section 205: “How To” hyperlinks were added; language was adjusted; the language related to the Incomplete form was removed. Associate Dean Kramer asked about the form, pointing out its importance for deans as they work with students. She asked about how others are using the form and if it is effective for recordkeeping and administrative tracking, when necessary. Dr. Welch withdrew this item so that the committee can further consider the question of language related to Incompletes.*

**Information Item:**

A) Updated web links provided on previously approved Class Rolls Procedure 2.7.5 and Reporting Grades Procedure 2.7.7 due to upgrade of university websites.

5. Old business
Dr. McCord asked if there was a required format for syllabi, as several have come to GPC lacking essential information. After discussion, it was recommended that the committee send back any proposed syllabus that is lacking.

6. New business

Dr. Marrero announced that UWG has submitted its monitoring report in regards to academic program assessment (3.3.1) in accordance with SACSCOC requests. Though the monitoring report focused on program assessment, presenting accurate and clear course information specific to student learning outcomes should be reviewed as programs propose courses and present syllabi to students.

7. Announcements

There is one week left to vote on the fight song lyrics.

8. Adjournment

Dr. Farmer adjourned the meeting at 3:40 p.m.

Respectfully submitted,
Dr. Angela Insenga
Associate Professor of English
Executive Secretary of the Faculty Senate and General Faculty

### Rationale

In an effort to serve students in the Theatre Major who are interested in learning about the production end of the fine industry, the Theatre faculty choose to modify our curriculum so that the FILM 1000 and 2000 courses, worth six credits each (12 credit hours total), can be taken within the 120 credit hour theatre curriculum. The Film and Theatre industries are kicking causes; leaving aspects of production elements in both fields is best practice within the Bachelor of Arts degree, while also serving both disciplines. The

Comments:
This is not a modification to the program name, we’re not adding a track or concentration, nor are we changing the name of a track/concentration. We are making changes to the catalog, but not to the catalog description nor the degree name. We are just modifying our program so that students can take 12 credit hours in FILM courses through the Georgia Film Academy. The 12 credit hours of FILM courses through the GFA will be taken off campus (the rest of our program remains on campus).

   1000—or---2000 Level Course MUST BE ART, MUSIC, OR FILM (3)

2. In Courses Specific to the Major, add “or FILM 2000” to the following in red to read:

   **COURSES SPECIFIC TO THE MAJOR—45 hours**
   THEA 1000: Theatre Laboratory (0)
   THEA 1111 Production and Performance (1)
   THEA 1112 Production and Performance or FILM 2000 (1)
   THEA 2111 & 2112 Production and Performance or FILM 2000 (2)

**FILM** | 2000 | Georgia Film Academy II  

This course is the second of a two-course certificate program designed specifically to provide students with a basic level of on-set film production skills, knowledge and experience with film industry standard organizational structures, professional equipment and on-set procedures. The skills and knowledge gained in Course I will form a foundation for students to be able to perform at an entry-level on working productions. This course will focus on professional-level productions, on which students will have roles in on-set and pre-production crafts. Students will: 1. Demonstrate knowledge of on-set protocols and relationships. 2. Demonstrate basic abilities in multiple entry-level on-set jobs. 3. Interpret and apply instructions from on-set supervisors. 4. Summarize the above experiences for purposes of self-marketing. “May Include Camera, Lighting, Electrical, Security, Second Unit Director/Assistant Director, Art Department (Set Decor, Costume), Production Design, Props, Set Construction, Makeup/Hair Department, Wardrobe Department, Sound Department, Post-Production (editing), Production Assistant, Locations, Script Supervisor (Continuity), Production Office, Production Accounting.”

- Modification Details

The curriculum for the Health and Community Wellness program is being changed to align with the National Wellness Institute's accreditation standards. The National Wellness Institute (NWI) was formed to realize the mission of providing health promotion and wellness professionals resources and services that fuel professional and personal growth. We conducted an external and internal review of our current program. Aligning our program to the NWI accreditation standards strengthens our program and, in turn, makes our graduates more marketable in the field. Upon our external and internal review, several existing courses were added to the program to meet the NWI accreditation standards, specifically in areas F: PHED 2004 Human Anatomy and Physiology II, PSYC 1101 Introduction to Psychology, and MATH 2633 Introductory Statistics.

- Rationales

The curriculum for the Health and Community Wellness program is being changed to align with the National Wellness Institute's accreditation standards. The National Wellness Institute (NWI) was formed to realize the mission of providing health promotion and wellness professionals resources and services that fuel professional and personal growth. We conducted an external and internal review of our current program. Aligning our program to the NWI accreditation standards strengthens our program and, in turn, makes our graduates more marketable in the field. Upon our external and internal review, several existing courses were added to the program to meet the NWI accreditation standards, specifically in areas F: PHED 2004 Human Anatomy and Physiology II, PSYC 1101 Introduction to Psychology, and MATH 2633 Introductory Statistics.

Several new courses were created to meet the NWI accreditation standards as well. CMHL 3101 Mental and Emotional Wellness, CMHL 3102 Psychology of Health and Wellness, CMHL 4100 Exercise/Wellness Programming for Special Populations, CMHL 4101 Wellness Coaching, CMHL 4101 Wellness Wellness Program, CMHL 4102 Service Learning in Health and Community Wellness.

- To ensure a higher standard for this program, all students must make a grade of C or better in their professional content courses (all courses on the right hand side of the program sheet).

CMHL 3100 Introduction to Health and Community Wellness is being moved from professional content to area F. Currently, this course is listed as a 3-credit hour course. It is being changed to a 2-credit hour course to maintain the current 60 hour requirement for total core curriculum and to align with other introductory courses in other programs across the college.

In order to maintain and ensure high standards and rigor in this program, all courses used in the 5 elective area must be at the 300 level or above. In special situations where a 200 level course needs to be used in the 5 elective area, the student must gain permission from their academic advisor first.

The Department of Sport Management, Wellness, and Physical Education will identify students through Advising who have chosen the Community Education and Care Concentration. We will work with these students through the COE Advising Center to make appropriate accommodations to keep them on track for graduation. The accommodations will be, but not limited to, appropriate course substitutions or focused independent study.

Rationale
CMWL 2100 Introduction to Health and Community Wellness is being moved from professional content to area F. Currently, this course is listed as a 3-credit hour course. It is being changed to a 3-credit hour course to maintain the current 65 hour requirement for total core curriculum and to align with other introductory courses in other programs across the college. Course description is being modified as well by removing the last sentence that reflects two separate concentrations. This program will no longer have two separate concentrations so the course description needed to be modified to reflect the program change.

ASSIGNMENTS, EVALUATION PROCEDURES AND GRADING POLICY

Assignments:

**Community Wellness Professional Interview (20 points)**
Students will conduct an interview with a professional working in the field of community wellness. Specific topics and interview questions will be discussed in class. A written summary of the interview will be submitted for a grade.
(Objectives 1 & 5)

**Cultural Immersion Project (50 points)**
Students will expand their understanding of diverse populations through this project. Students will be expected to engage in a cultural experience in the surrounding community and submit a written summary of the experience for a grade. Cultural experiences will vary for each student depending on location and interest and MUST be approved by the course instructor. Examples might include spending a day in an inner city YMCA, soup kitchen, hospital, or women’s shelter. A written reflection of the experience will be submitted for a grade.
(Objectives 2 & 3)

**Current Trends Article Reviews (4 @ 10 each = 40 points)**
Students will select, read, and write a critical review of four (4) different articles related to current trends and issues in the community wellness fields. Article selections can be aligned to
student interest but must be chosen from a list of pre-approved articles assigned by the course instructor.
(Objectives 1 & 2)

Ethics Paper (40 points)
Students will be expected to write an essay on the ethical issues and legal considerations of working in the community wellness fields. Students will be expected to cover a variety of professional roles and use specific examples from the course textbook, professional articles, and class discussions.
(Objectives 3 & 4)

Final Exam (50 points)
A cumulative exam covering information from the required text and from class discussions will be given in class during finals week.
(Objectives 1, 2, 3, 4, 5)

CLASS, DEPARTMENT, AND UNIVERSITY POLICIES

Please carefully review the information at Common Language for Course Syllabi. It contains important information related to your rights and responsibilities in this class. Because these statements are updated as federal, state, university, and accreditation standards change, you should review the information each semester. In addition to the above information the following policies apply to this course. The following link will take you to the University Policies: http://www.westga.edu/assetsDept/vpaa/Common_Language_for_Course_Syllabi.pdf.
**Academic Honesty:** All work completed in this course must be original work developed this semester. Students are expected to adhere to the highest standards of academic honesty. Plagiarism occurs when a student uses or purchases ghostwritten papers. It also occurs when a student utilizes ideas or information obtained from another person without giving credit to that person. If plagiarism or another act of academic dishonesty occurs, it will be dealt with in accordance with the academic misconduct policy as stated in the latest Student Handbook and the Graduate Catalog.

**Attendance:** You are responsible for all information and changes in the course content that may occur in your absence. No make-up assignments will be allowed. It is the student’s responsibility to ensure that all requirements are completed in a timely manner.

**Americans with Disabilities Act:** The official UWG policy is contained in the link to the Common Language for Course Syllabi located on the Provost’s website. All students are provided with equal access to classes and materials, regardless of special needs, temporary or permanent disability, special needs related to pregnancy, etc. For more information, please contact Disability Services at the University of West Georgia: [http://www.westga.edu/studentDev/index_8884.php](http://www.westga.edu/studentDev/index_8884.php).

**Student Email Policy:** University of West Georgia students are provided a MyUWG email account, which is the official means of communication between the University and student. It is the student’s responsibility to check this email account for important University related information.

**UWG Cares:** If you or someone you know is in a distressing situation, support is available at [http://www.westga.edu/UWGcares](http://www.westga.edu/UWGcares). The website contains access to helpful resources and phone numbers related to emergency or crisis situations and safety concerns, medical concerns, multicultural, psychological and personal issues and interpersonal conflict.

COURSE DESCRIPTION

Prerequisite: Health and Community Wellness Admission (CMWL)

Review the science that connects human behaviors and psychological variables to health status.
The role of Psychology in disease, injury, premature death, substance abuse, exercise, diet, stress, social relationships, coping behaviors and high level wellness, both to individual and society. Includes interrelatedness of wellness dimensions, healthy and destructive behaviors, managing chronic diseases, psychosocial aspects of final illness and death, and delivery of health services.

**COE Vision**

The College of Education at the University of West Georgia will be recognized for *Leading a New World of Learning*, with relevant and innovative programs that contribute to educational improvement and the betterment of society.

**COE Mission**

Locally connected and globally relevant, the Mission of the College of Education is to prepare graduates for meaningful careers in diverse settings. Spanning undergraduate through doctoral study, we are committed to depth of knowledge and excellence in teaching, professional practice, and applied research.

The vision and mission of the College of Education at UWG forms the basis on which programs, courses, experiences, and outcomes are created. National and state standards are incorporated as criteria against which candidates are measured. This course’s objectives, activities, and assignments are related directly to the appropriate standards, as identified below.

**APPROACHES TO INSTRUCTION**

Various pedagogical methods used for this class include: discussion and activities, lecture, online resources and a culminating project.

This course will be delivered as a hybrid course, with lectures and class opportunities taking place in both face-to-face and online formats. This requires the online equivalent of 1,125 minutes of instruction (seat-time) and an additional 2,250 minutes of supporting activities. As such, you will be required to complete the following online activities during this course:

<table>
<thead>
<tr>
<th>Activity</th>
<th>Instructional Equivalent</th>
</tr>
</thead>
<tbody>
<tr>
<td>Discussion posts</td>
<td>350 minutes</td>
</tr>
<tr>
<td>Audio/video instruction</td>
<td>400 minutes</td>
</tr>
<tr>
<td>Online assignments</td>
<td>375 minutes</td>
</tr>
</tbody>
</table>

Additionally, it is anticipated that students will need to work independently for twice the number of minutes listed above to complete the online activities.

**COURSE OBJECTIVES**

Students will:
1. examine the interaction of biological, psychological and social factors influencing one's physical well-being and health behaviors (Anshel, 2014);

2. describe the psychophysiological effect of exercise on total well-being (Brehm, 2014);

3. examine psychological research methods, theories and principles to better understand health behaviors, health promotion and health care issues (Anshel, 2014; Sarafino & Smith, 2014);

4. describe the mind-body integration and how it impacts health behaviors (Brannon, Feist, & Updegraff, 2014);

5. describe negative health behaviors and their impact on addiction (Sarafino & Smith, 2014);

6. examine the impact of stress on the immune system (Brehm, 2014);

7. examine coping strategies for managing various chronic diseases and illnesses (Brannon, Feist, & Updegraff, 2014).

1. Demonstrate a working knowledge of the basic principles of healthy eating/nutrition and how they relate to overall health and wellness;
2. Demonstrate how to set acceptable SMART goals and identify negative food triggers in regards to their nutrition;
3. Demonstrate a working knowledge of healthy cooking and shopping strategies;
4. Evaluate their own personal eating habits and demonstrate how to adjust those habits in a more positive way for better health and wellness;
5. Demonstrate a working knowledge of dietary supplements and their role in healthy eating;
6. Demonstrate a working knowledge of the impact that healthy eating and nutrition has on fitness and sport performance;
7. Demonstrate how to appropriately determine correct portions and components for breakfast, lunch, dinner and snacks;
8. Demonstrate a working knowledge of effective strategies for maintaining healthy eating patterns when eating out;
9. Identify strategies for staying motivated or getting back on track in regards to healthy eating patterns.

Assignments and Evaluation Procedures

Project 1: Supertracker .................................................................60 points

Information on this assignment and how to complete will be located inside the Projects module in Course Den.

Project 2: Debunking the Diet ..................................................30 points

Information on this assignment and how to complete will be located inside the Projects module in Course Den.

Project 3: The Frights of Fast Food ...........................................50 points

Information on this assignment and how to complete will be located inside the Projects module in Course Den.

Project 4: Discussion board post (ongoing) ..............................36 points

For each module, students will be required to respond to the question(s) or hot topic with their original opinion and respond to at least two of their peer’s postings for full credit to be earned. Each of your three responses MUST be posted on different days, so do not wait till the last minute to complete the board. Each board is worth 3 points – 1 point for your original response and 1 point each for your two peer responses. Student responses are to be at least two full paragraphs with no spelling and grammatical
errors. A full paragraph consists of at least four fully developed sentences. There will be a total of 12 different modules. Discussion boards can be located inside the module for each topic that we are covering at that time. Please use the calendar inside Course Den for reminders on when each discussion board will close because boards will not be re-opened for students that miss them once the allotted time has expired.

Project 5: Quizzes (ongoing) ................................................................. 90 points

Students will have 6 total quizzes in this course. Each quiz will be worth 15 points. Students should follow the Course Den calendar to know when these quizzes will be open and when they will close. Quizzes cannot be made up unless a medical emergency with appropriate documentation from the student’s physician is provided (see policy below)

- Quiz 1 – Modules 1 and 2
- Quiz 2 – Modules 3 and 4
- Quiz 3 – Modules 5 and 6
- Quiz 4 – Modules 7 and 8
- Quiz 5 – Modules 9 and 10

CLASS, DEPARTMENT, AND UNIVERSITY POLICIES

For important policy information on the UWG Honor Code, Email, and Credit Hour policies, as well as information on Academic Support and Online Courses, please review the information found in the Common Language for Course Syllabi documentation at http://www.westga.edu/assetsDept/vpaa/Common_Language_for_Course_Syllabi.pdf. Additions and
updates are made as institution, state, and federal standards change, so please review it each semester. In addition to the above information the following policies apply to this course.

**Academic Honesty:** All work completed in this course must be original work developed this semester. Students are expected to adhere to the highest standards of academic honesty. Plagiarism occurs when a student uses or purchases ghostwritten papers. It also occurs when a student utilizes ideas or information obtained from another person without giving credit to that person. If plagiarism or another act of academic dishonesty occurs, it will be dealt with in accordance with the academic misconduct policy as stated in the latest *Student Handbook* and the *Graduate Catalog*.

**Late Work:** Projects and/or labs can be submitted up to three days late with a five (5) point deduction for each day that the assignment is late. Assignments cannot be submitted for partial credit once the drop box has closed.

**Professional Conduct:** Students are expected to conduct themselves professionally, even in the online environment. This is an essential quality for all professionals, no matter your major. Professionalism includes, but is not limited to, the following:

- Participating in interactions and class activities in an online environment in a positive manner.
- Collaborating and working equitably with students in the class, when appropriate.
- Actively participating in class or online each day/week.
- Maintaining constant communication within the course.
- Turning in assignments/quizzes on time.
- Be sensitive and reflective to what others are saying.
- Don't use all caps. It is the equivalent of screaming.
- Don't flame - These are outbursts of extreme emotion or opinion.
- Think before you hit the post (enter/reply) button. You can't take it back!
- Don't use offensive language.
- Use clear subject lines.
- Don't use abbreviations or acronyms unless the entire class knows them.
- Be forgiving. Anyone can make a mistake.
- Keep the dialog collegial and professional.

**Technology/Internet Needs for this Course:** A computer with audio capabilities, an Internet connection, and a Course Den compatible browser, like Mozilla Firefox or Internet Explorer, are the only necessary components to support appropriate interactions. Course Den and any other distance education supplemental software that a specific instructor may wish to use is provided freely to all students at the UWG SITS center on front campus drive. *Students are expected to have access to our course 100% of the time, even if they go out of town on vacation or any other reason.*

**“Three before me” policy:** Students are asked to refer to three different locations when looking for answers to class questions before e-mailing their instructor. If you have questions regarding the course, please look for your answers in the following places: (1) course syllabus, (2) course calendar, (3) e-mail your classmates. If you still cannot find the answer to your question, then please e-mail your instructor. A great deal of time has been put into developing and organizing this course.
UWG Email Policy: University of West Georgia students are provided a MyUWG e-mail account. The University considers this account to be an official means of communication between the University and the student. The purpose of the official use of the student e-mail account is to provide an effective means of communicating important university-related information to UWG students in a timely manner. It is the student's responsibility to check his or her email. **For this course, students are expected to communicate with their instructor through Course Den e-mail.**

Submitting projects and/or labs: Students are expected to keep up with the daily/weekly learning plan and submit projects and/or labs by the due dates and times that are listed on the Course Den calendar and on this syllabus. All projects/labs are to be submitted through the assignment drop box in Course Den. The instructor does allow projects and labs to be submitted up to three days late, including weekends, after the original due date. However, a five-point deduction will be assessed for each day that the project or lab is submitted after the original due date. Once the drop box closes, no assignments can be submitted.

Quiz/discussion board makeups if missed: Quizzes **cannot** be made up unless a medical emergency has occurred to the student. A note from the physician must be provided before a student will be allowed to make up a missed quiz. Discussion boards cannot be made up due to the interaction between the instructor and class peers that is needed—no exceptions. It is extremely important that students keep up with the daily/weekly plan so that they do not get behind. All important dates for this course are listed on the calendar in Course Den and on this syllabus.

Instructor Feedback: As a student you can expect to receive feedback from me within 48 hours or less via e-mail during the week. If you wish to see me in my office just set up an appointment with me. If I am out of town I will notify you in advance.

Additional Support Information

**Center for Academic Success**
The **Center for Academic Success** (CAS) provides services, programs, and opportunities to help all undergraduate students succeed academically. The CAS offers free appointment-based peer tutoring in core courses, as well as supplemental instruction (SI)—which is peer-facilitated collaborative learning—in a variety of disciplines. Students seeking help with study skills and strategies can attend workshops though the Academic Success Workshop series, or work individually with either a staff or peer Academic Coach. The Center for Academic Success is located in UCC 200, and can be reached at 678-839-6280 or the email address is cas@westga.edu.

**UWG Cares**
If you or someone you know is in a distressing situation, support is available at http://www.westga.edu/UWGcares/. The website contains access to helpful resources and phone numbers related to emergency or crisis situations and safety concerns, medical concerns, multicultural, psychological and personal issues and interpersonal conflict.

CLASS, DEPARTMENT, AND UNIVERSITY POLICIES

For important policy information on the UWG Honor Code, Email, and Credit Hour policies, as well as information on Academic Support and Online Courses, please review the information found in the Common Language for Course Syllabi documentation at http://www.westga.edu/assetsDept/vpaa/Common_Language_for_Course_Syllabi.pdf. Additions and
updates are made as institution, state, and federal standards change, so please review it each semester. In addition to the above information the following policies apply to this course.

**Academic Honesty:** All work completed in this course must be original work developed this semester. Students are expected to adhere to the highest standards of academic honesty. Plagiarism occurs when a student uses or purchases ghostwritten papers. It also occurs when a student utilizes ideas or information obtained from another person without giving credit to that person. If plagiarism or another act of academic dishonesty occurs, it will be dealt with in accordance with the academic misconduct policy as stated in the latest *Student Handbook* and the *Graduate Catalog*.

**Late Work:**

**Professional Conduct:** Students are expected to conduct themselves professionally, even in the online environment. This is an essential quality for all professionals, no matter your major. Professionalism includes, but is not limited to, the following:

- Participating in interactions and class activities in an online environment in a positive manner.
- Collaborating and working equitably with students in the class, when appropriate.
- Actively participating in class or online each day/week.
- Maintaining constant communication within the course.
- Turning in assignments/quizzes on time.
- Be sensitive and reflective to what others are saying.
- Don't use all caps. It is the equivalent of screaming.
- Don't flame - These are outbursts of extreme emotion or opinion.
- Think before you hit the post (enter/reply) button. You can't take it back!
- Don't use offensive language.
- Use clear subject lines.
- Don't use abbreviations or acronyms unless the entire class knows them.
- Be forgiving. Anyone can make a mistake.
- Keep the dialog collegial and professional.

**Technology/Internet Needs for this Course:** A computer with audio capabilities, an Internet connection, and a Course Den compatible browser, like Mozilla Firefox or Internet Explorer, are the only necessary components to support appropriate interactions. Course Den and any other distance education supplemental software that a specific instructor may wish to use is provided freely to all students at the UWG SITS center on front campus drive. *Students are expected to have access to our course 100% of the time, even if they go out of town on vacation or any other reason.*

**UWG Email Policy:** University of West Georgia students are provided a MyUWG e-mail account. The University considers this account to be an official means of communication between the University and the student. The purpose of the official use of the student e-mail account is to provide an effective means of communicating important university related information to UWG students in a timely manner. It is the student's responsibility to check his or her email.
Additional Support Information

Center for Academic Success
The Center for Academic Success (CAS) provides services, programs, and opportunities to help all undergraduate students succeed academically. The CAS offers free appointment-based peer tutoring in core courses, as well as supplemental instruction (SI)—which is peer-facilitated collaborative learning—in a variety of disciplines. Students seeking help with study skills and strategies can attend workshops through the Academic Success Workshop series, or work individually with either a staff or peer Academic Coach. The Center for Academic Success is located in UCC 200, and can be reached at 678-839-6280 or the email address is cas@westga.edu.

UWG Cares
If you or someone you know is in a distressing situation, support is available at http://www.westga.edu/UWGcares/. The website contains access to helpful resources and phone numbers related to emergency or crisis situations and safety concerns, medical concerns, multicultural, psychological and personal issues and interpersonal conflict.

**Modification Details**
- Updating curriculum to meet requirements for admission to engineering programs. See attachment for updated program.

**Rationale**
- Program has not been updated for many years. As listed in catalog, program will not allow transfer to engineering programs. Proposed modifications will allow students to transfer to GA Tech, complete approximately five semesters of engineering coursework and graduate with a degree in Geology from UGA and an engineering degree from Tech.

**Corequisites**

**Rationale:**
Parasitism is the mode of existence in which one organism, a parasite, infects another, the host, and the parasite does some measure of harm to the host while itself deriving a benefit. Parasitism is not rare. In fact, it has been estimated that over 60% of the species on this planet employ parasitic lifestyles. As such, the study of parasitism can teach us a great deal about life in general.

PARASITOLOGY SYLLABUS (BIOL 4735)

Instructor: Dr. N.L. Pencoe
Office: 115 Biology Building
Phone: 678-839-4036
Office Hours: T/R 10:00am - 12:00pm & 1:30pm - 3:30pm  F 12:30pm - 2:00pm

PREREQUISITES
BIOL 2108 and BIOL 2108L (or BIOL 1108 and BIOL 1108L) with a minimum grade of C and BIOL 3310

COURSE DESCRIPTION
This course introduces students to the field of parasitology. Topics covered include parasite diversity, life cycles, host defense mechanisms, parasite evasion, host pathology, ecology, evolution, and control. The laboratory component of the course will examine parasites of medical and veterinary importance.

LECTURE MATERIALS

LAB MATERIALS
• Loose leaf notebook/sketch pad with blank unlined pages
• You will be “assigned” a compound microscope; use this scope throughout the course; keep it clean & in good condition
• Microscope slides for study will be provided
  ▪ Observe slides and return to appropriate trays
  ▪ Report broken slides immediately (if slides “disappear” we will have to employ a complex and time consuming check-out procedure)

LEARNING OUTCOMES
Upon completion of this course you should be able to:
• Demonstrate an understanding of the diversity of parasites.
• Discuss the parasite-host relationship and describe the effects parasites have on their hosts.

• Describe the basic biology, physiology, morphology, life history, behavior, phylogeny and ecology of selected parasites.

• Recognize significant morphological characteristics for identification of parasites to the taxonomic group and the life history stage.

• Communicate effectively in class discussion and on written assignments.

ATTENDANCE POLICY
Regular attendance is strongly recommended. Participating in lecture gives you an opportunity to ask questions or discuss relevant, interesting topics. To excel in this course you will need to understand, integrate and apply information from lecture, lab, and reading material.

CELL PHONE POLICY
According to a March 2008 article in the New York Times, researchers found that after responding to email or text messages, it took the average person more than 15 minutes to re-focus on the “serious mental tasks” they had been performing before the interruption. Other research has shown that when people attempt to perform two tasks at once (e.g. following what’s happening in class while checking text messages), the brain literally cannot do it. The brain has got to give up on one of the tasks in order to effectively accomplish the other. For this reason, I require you to turn off your cell phones or set them on silent mode when you are in class. You are NOT welcome to surf the web, check email, or receive/send text messages during class.

D2L (COURSEDEN)
Periodically, announcements containing important information regarding lecture will be sent to the entire class. Thus, it is your responsibility to check D2L for messages at least once every 24 hours. If you experience problems with D2L, you may seek assistance M-F 8am-5pm online@westga.edu or by phone 678-839-6248 or 1-855-933-8946. In addition, 24/7 assistance is available, 365 days a year at https://D2Lhelp.view.us.edu.

GRADING
Lecture exams (3) 50% of final grade  A = 90 - 100
Lab practicals (3) 40% of final grade  B = 80 - 89
Lab drawings 10% of final grade  C = 70 - 79

D = 60 - 69
F = 59 & below

Lecture exams will include multiple choice, matching, short answer, and discussion questions.
Lab practical questions will stress material specifically covered in lab, primarily morphology, taxonomy, host(s), and target organ. The questions will be asked from the specimens themselves; therefore, you will have to recognize the specimen and/or anatomical part indicated. For example, questions might read: "Name the genus and species of this organism" or "Identify the structure indicated by the pointer".

MAKEUP EXAMS
If an exam is missed, you must be able to document your reasons for missing the exam, and only extreme catastrophes will be considered as valid excuses.

EXTRA CREDIT / CURVING OF GRADES
No extra credit allowed; curving of grades is NOT an option - an 89.9 is a B, not an A.

UNIVERSITY OF WEST GEORGIA HONOR CODE
At the University of West Georgia, we believe that academic and personal integrity are based upon honesty, trust, fairness, respect and responsibility. Students at West Georgia assume responsibility for upholding the honor code. West Georgia students pledge to refrain from engaging in acts that do not maintain academic and personal integrity. These include, but are not limited to, plagiarism, cheating, fabrication, aid of academic dishonesty, lying, bribery or threats, and stealing.

The University of West Georgia maintains and monitors a confidential Academic dishonesty Tracking System. This database collects and reports patterns of repeated student violations across all the Colleges, the Ingram Library, and the School of Nursing. Each incidence of academic dishonesty is subject to review and consideration by the instructor, and is subject to a range of academic penalties including, but not limited to, failing the assignment and/or failing the course. Student conduct sanctions range from verbal warning to suspension or expulsion depending on the magnitude of the offense and/or number of offenses. The incident becomes part of the student's conduct record at UWG.

Additionally, the student is responsible for safeguarding his/her computer account. The student's account and network connection are for his/her individual use. A computer account is to be used only by the person to whom it has been issued. The student is responsible for all actions originating through his/her account or network connection. Students must not impersonate others or misrepresent or conceal their identities in electronic messages and actions.

AMERICANS WITH DISABILITIES ACT
Students with a documented disability may work with UWG Accessibility Services to receive essential services specific to their disability. All entitlements to accommodations are based on documentation and USG Board of Regents standards. If a student needs
course adaptations or accommodations because of a disability or chronic illness, or if he/she needs to make special arrangements in case the building must be evacuated, the student should notify his/her instructor in writing and provide a copy of his/her Student Accommodations Report (SAR), which is available only from Accessibility Services. Faculty cannot offer accommodations without timely receipt of the SAR; further, no retroactive accommodations will be given.

UWG EMAIL POLICY
University of West Georgia students are provided a MyUWG email account. The University considers this account to be an official means of communication between the University and the student. The purpose of the official use of the student email account is to provide an effective means of communicating important university related information to UWG students in a timely manner. It is the student’s responsibility to check his or her email.

CREDIT HOUR POLICY
The University of West Georgia grants one semester hour of credit for work equivalent to a minimum of one hour (50 minutes) of in-class or other direct faculty instruction AND two hours of student work outside of class per week for approximately fifteen weeks. For each course, the course syllabus will document the amount of in-class (or other direct faculty instruction) and out-of-class work required to earn the credit hour(s) assigned to the course. Out-of-class work will include all forms of credit-bearing activity, including but not limited to assignments, readings, observations, exams and musical practice. Where available, the university grants academic credit for students who verify via competency-based testing, that they have accomplished the learning outcomes associated with the course that would normally meet the requirements outlined above (e.g. AP credit, CLEP, and departmental exams).

Prefix  Number  Course Title

This course provides credit for students completing an experiential or service learning project. The course must be completed under the supervision of a faculty member who will serve as the project supervisor and assign the course grade. Students must complete an assignment as evidence of satisfaction of the course requirements. This evidence can be in the form of a written assignment or a portfolio at the discretion of the supervising faculty member. This course is repeatable up to a total of 6 credit hours.

- Rationale
  This course is intended to support experiential and service learning projects that do not meet the standards and requirements of the Internship or Prior Learning Assessment courses. The range of units is to allow varying levels of commitment to the project. It is envisioned that projects for this course will include working on political campaigns, working for non-governmental organizations, community engagement activities, international volunteerism projects, etc. The course is part of the department's efforts to develop an infrastructure for the development of service learning as part of the newly revised curriculum in Political Science. This course is designed to follow disciplinary best practices for the inclusion of service learning into the curriculum. This course is repeatable up to a total of 6 credit hours.
Planning Info
- Library/Resources are Adequate
- Library/Resources Need Enhancement

Is this a SACS substantive change?  NO  (See Policy)
Present or Projected Annual Enrollment: 6

Comments
This course can be from 1 - 6 units to reflect the range of potential service learning projects.

  As we look around the world, we witness a vast array of individual, corporate, and state criminal activity that is varied in its scope, intensity, and effect upon society. The amount and variety of global crime is immense, and in order to fully appreciate its dimensions, we must impose certain definitions and perspectives. Two of the most important variables to understand are the influence of culture and globalization on the causes and responses to crime around the world. Although it may be difficult to comprehend why such crime persists decade after decade, the search for these answers uncovers a challenging and fascinating tapestry of criminal activity.

- Rationale
  - The course is being added in conjunction with criminology program evaluations to provide students with a course to reinforce understanding of global and diversity issues within criminology and criminal justice. The addition of this course will provide seamless, three-level alignment for the proposed learning outcome "Explain diversity and global perspectives in criminal justice and criminology."

Course Description:
As we look around the world, we witness a vast array of individual, corporate, and state criminal activity that is varied in its scope, intensity, and effect upon society. The amount and variety of global crime is immense, and in order to fully appreciate its dimensions, we must impose certain definitions and perspectives. Two of the most important variables to understand are the influences of culture and globalization on the causes and responses to crime around the world. Although it may be difficult to comprehend why such crime persists decade after decade, the search for these answers uncovers a challenging and fascinating tapestry of criminal activity.

Course Learning Objectives

1. Explain current issues regarding global crime in various regions of the world.
2. Compare and contrast international criminal activities, their history, and the current state of affairs.
3. Identify and apply concepts and theories relevant to modern global crimes and justice issues.

Course Requirements
I expect everyone to be prompt, and I will be as well. I will reply to any communication within 24 hours, except on Sunday.
Students are expected to log in every day and complete required work. Much of our discussion will take place asynchronously, meaning that discussion occurs over an extended period of time rather than in "real time". You do not have to be online at the same time as other students or the instructor in order to participate in these discussions. However, you do need to log in regularly for the daily assignments. Since this is a two week course, daily participation is mandatory. Missing days will result in falling drastically behind and you should contact me immediately if anything precludes you from active participation. Due dates for all work are listed in the course calendar with CourseDen alerts for each so log in!!

A general guide for due dates

1. Tests for understanding are available every Mon., Weds., and Friday from 12:00 am to 10:00 pm
2. Assignments are all available now and are due each Tues and Thurs at 10:00 pm
3. Discussions have daily requirements, original post on the start date and response posts the following day. Some discussions overlap so you will be posting an original post for one discussion the same day you post a response to another.

Communication Rules for this Class

My University email account - **Important!** Do not contact me using my University email account for the duration of this course unless you have an emergency. If you need to contact me via email, please contact me via the WestGa email account in this course.

My Response Time to You - If you ask me direct questions in CourseDen via email or the discussion areas, I will reply back within 24 hours.

Emergencies - If you have to contact me because of an emergency, you may use my email or phone number in the syllabus.

Communication in General - Communication in an online environment takes special consideration. Do not use acronyms (text message abbreviations) unless they are understood by the recipient(s) of the message.

Be careful what you say to someone on the discussion tool because everyone in the class will see it, and it cannot be retracted! Please abide by netiquette when talking to your classmates.

Always Follow Rules of Netiquette (Network Etiquette) - Communication in an online class takes special consideration. Please read the short list of tips below.

Be sensitive and reflective to what others are saying.
Don't use all caps. It is the equivalent of screaming.
Don't flame - These are outbursts of extreme emotion or opinion.
Think before you hit the post (enter/reply) button. You can't take it back!
Don't use offensive language.
Use clear subject lines.
Don't use abbreviations or acronyms unless the entire class knows them.
Be forgiving. Anyone can make a mistake.
Keep the dialog collegial and professional.

**Americans with Disabilities Act**
If you are a student who is disabled as defined under the Americans with Disabilities Act, and requires assistance or support services, Accessibility Services (http://www.westga.edu/counseling/4486.php) will help you understand your rights and responsibilities under the Americans with Disabilities Act and provide you further assistance with requesting and arranging accommodations.

If you need course adaptations or accommodations because of a disability or chronic illness, or if you need to make special arrangements in case the building must be evacuated, please notify your instructor using the course email system by the end of the second full week of class and attach a PDF copy of your SAR (Available from the Office of Accessibility Services).

**Equal Opportunity**
No person shall, on the grounds of race, color, sex, religion, creed, national origin, age or disability, be excluded from employment or participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity conducted by UWG.

**Affirmative Action**
University of West Georgia adheres to affirmative action policies to promote diversity and equal opportunity for all faculty and students.

**University Policy**
All University polices for students can be found in the Student Handbook here: http://www.westga.edu/assetsSA/handbook/Student_Handbook_Final_w-o_Student_Conduct_2014-2015_(Aug_22).pdf

**Special Needs**
If you need course adaptations or accommodations because of a disability, if you have emergency medical information to share with me, or if you need special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible so that I may make proper arrangements to accommodate your needs. Please submit your SAR as soon as possible and request any accommodations you are entitled to through university policy. All accessibility policies can be found here: http://www.westga.edu/accessibility

If you have any questions regarding accessibility, contact counseling@westga.edu.
Grading:
Grades for tests for understanding, discussions, and assignments will be posted within 24 hours of submission. Any revisions, should you need them, will be noted in the comments section with instructions on how to improve and resubmit.

Final grades will be based on the following:

Grading is based off a points system. Students may earn a total of 375 points.

7/8 Discussions (lowest score dropped) = 25 points each x 7 = 175
3/4 Assignments (lowest scored dropped) = 25 points each x 3 = 75
5/6 Testing for Understanding = 25 points each x 125

Every Discussion, Assignment, and Test for Understanding is worth 6.66% of the final grade after lowest scores are dropped (25/375).

Test for Understanding (33% of final grade):
Six total quizzes (one in each module) will consist of 10 multiple choice questions that require the integration of all course materials. Quiz completion time is 20 minutes. If you miss a quiz, you cannot make it up! However, the lowest quiz grade will be dropped.

Assignments (20% of final grade):
Four assignments will be posted and will be graded against the assignment rubric listed in the Orientation Module. More details will be made available with each assignment. All assignments due dates will be marked on the calendar. Late assignments will NOT be accepted! However, the lowest assignment grade will be dropped.

Discussion Board Postings (47% of final grade):
You are expected to regularly contribute to the discussions posted in the Course Modules. Specifically, you will be required to do the following: Post at least one high quality reply to the discussion questions posted by the instructor during each module of the course and post at least three high quality replies to fellow students. NOTE: A high quality posting should consist of at least two paragraphs of written text, and will be evaluated based on the quality of the posting content. Discussions will be graded against the discussion rubric listed in the Orientation Module.

At the end of the session the percentages will be totaled and compared to the following scale. Extra credit will not be available.

Points Scale
335-375 = A
295-334 = B
255-294 = C
215-254 = D
214-000 = F

Addenda III: Rules Committee
Reporting Grades (205)

At mid-term, faculty members should advise each student who is not doing passing work. Depending on the student’s individual situation, the instructor may refer the student to the EXCEL Center for assistance with tutoring and study skills and/or the Student Development Office for counseling for study and learning problems.

Reporting Grades Procedure:
The University of West Georgia follows the uniform grading system of the University System of Georgia. Final grades should never be posted publicly, as this is prohibited under Family Educational Rights and Privacy Act of 1974.

Final grades are entered on Ban Web at the end of each term. Detailed instructions for reporting grades on Ban Web can be found on the Registrar’s Faculty and Staff Resources web page, according to sent via email. Faculty members are expected to meet the announced deadlines for entering final grades. Failure to do so results in a grade of NR (not reported) for the student involved. The NR grade can result in each student suffering an injustice since it affects academic standing in regard to dismissal and to honors. Moreover, an NR grade must ultimately be changed by hand by submitting a UWG Change of Grade form. For each course, faculty members will receive an email that confirms all grades have been successfully submitted or an email that indicates grades are missing.

Change Grade Procedure:
Grade Changes can be done in BanWeb until time listed by Registrar’s office on the official due date each term. ALL Grades Changes after the deadline will require a Grade Change Form. The instructor, department chair, and the Registrar’s Office must approve the grade change.

Students who withdraw by the midpoint of the semester or the term the course is offered (excluding final examinations) are awarded a grade of “W”. After the midpoint of the semester, students who withdraw are awarded a grade of “WF” except in cases of hardship that are approved by the appropriate college dean. A course in which a “W” is received is not included in the calculation of the grade point average. Grades of “WF” are calculated as “F’s”.

Incomplete Work Procedure:
A grade of "I" may be given in lieu of a final grade when a student with work of an acceptable quality (at least a D) is unable to complete the course requirements or take the final examination for non-academic reasons beyond his or her control. Please contact your department chair, program director, or college/school dean for specifics regarding the Incomplete Grade Form. An instructor who assigns a grade of "I" will submit an Incomplete Grade Statement form (available on the Academic Affairs Office web page) to the Registrar’s Office indicating the level of performance (A, B, C, or D) excluding the missed work and the work that must be done to remove the incomplete. The Registrar will file one copy with the student’s permanent record and send one copy to the appropriate department chair. The instructor should also retain one copy. It is the responsibility of the student receiving an "I" to arrange
with the instructor (or the department chair/program director if the instructor is not available) to complete the required work. An undergraduate student must coordinate with the faculty member to resolve an "I" during the succeeding semester of enrollment or within one year, whichever comes first; otherwise, the grade will be changed to "F." Graduate students must coordinate with the faculty member to resolve an "I" within one calendar year or the “I” becomes an “F.” A student completing the work for a course in which an “I” was received should never re-enroll in the course in a subsequent semester.

Once final grades have been submitted on Banweb, all grade changes must be submitted on a Change of Grade form (available in departmental offices) and have the approval of the appropriate department chairperson before they become effective.

Each academic department will articulate a process to determine grade changes when the professor is no longer available (i.e., death, moved, cannot be contacted). Policy statements articulated will be sent to the appropriate academic dean, and grade changes will be approved by the dean in accordance with established policy.

UWG PROCEDURE NUMBER: UWG Procedure, 2.7.8, Withdrawals  
Authority: UWG POLICY: UWG Policy 2.7, Teaching Responsibilities

The University of West Georgia faculty, pursuant to the authority of UWG Policy 2.7, establishes the following procedures for compliance with UWG Policy 2.7 on Teaching Responsibilities:

Purpose of the procedure is to clearly communicate to University of West Georgia faculty the various withdrawals students may initiate.

A. Definitions

1. Administrative withdrawal- occurs when in the judgment of the Vice President for Student Affairs and Enrollment Management or his or her designee, in consultation, when appropriate, with the student’s parents, spouse or designee, the Director of the Counseling and Career Development Center, and the University Physician, it is determined that the student suffers from a physical, mental, emotional or psychological health condition (UWG Student Handbook, Administrative Withdrawal Policy).

2. Forced withdrawal- is a withdrawal without credit from the academic course within which an offense has occurred. This could also include a required change in course section. (UWG Student Handbook, violations of Student Code of Conduct).

3. Formal withdrawal- occurs when the student formally withdraws from the university by submitting a request in writing to the Registrar’s Office. The student will be awarded a withdrawal grade (W or WF) in each course based on the withdrawal period deadline, the student record will be marked inactive, and the student must apply for readmission if he/she wishes to return to the University of West Georgia (University of West Georgia, Register, Drop/Add & Withdrawal).

4. Hardship withdrawal- is an exception based on unusual or emergency circumstances beyond the student’s control and may be granted based on special circumstances (UWG Student Handbook, Hardship Withdrawal Policy).

5. Military withdrawal- contact UWG Center for Adult Learners and Veterans for further information.

6. “W” - this symbol indicates that a student was permitted to withdraw without penalty. Withdrawals without penalty will not be permitted after the midpoint of the total grading period, including final examinations, except in cases of hardship as determined by the appropriate official of the respective institution (BOR policy 3.5.2, Symbols Not Included in Determining the Grade Point Average). All “W” grades will count towards the student’s maximum withdrawal limit but will not affect the student GPA (University of West Georgia, Register, Drop/Add & Withdrawal).
7. “WF” - this symbol indicates that a student withdrew after the midterm and the withdrawal deadline of a term. The “WF” will count the same as an F in the student’s GPA.

8. “WM” - this symbol indicates a student was permitted to withdraw under the Board of Regents policy for military service refunds, as noted in Section 7.3.5.3 of this Policy Manual. The use of this symbol indicates that this student was permitted to withdraw without penalty at any time during the term (BoR Minutes, October 2001.) (BOR policy 3.5.2, Symbols Not Included in Determining the Grade Point Average).

8. Withdrawal procedure.
University of West Georgia undergraduate and graduate students may request a hardship withdrawal or may be administratively withdrawn from the university. Please see the University of West Georgia Registrar’s Office website and University of West Georgia Student Handbook for details. Students must initiate a hardship withdrawal using the Request for Hardship Withdrawal form found on the website of the Provost and Vice President of Academic Affairs.

Undergraduate students may withdraw from courses with a grade of “W” a maximum of six times during their entire undergraduate enrollment at the University of West Georgia. After the limit of six withdrawals is reached, students are permitted to request exceptions only for circumstances beyond their control. Please see the University of West Georgia Registrar’s Office website for details.

Students who wish to formally withdraw from the university must submit a request in writing to the Registrar’s Office. Please see the University of West Georgia Formal Withdrawal form found on the website of the University of West Georgia, Register, Drop/Add & Withdrawal.

205.01 Hardship Withdrawal Policy

Students may request a hardship withdrawal after the official withdrawal Drop/Add deadline published in the UWG semester term calendar until the Friday immediately prior to the final week of the term.

What warrants a Hardship Withdrawal?

A hardship withdrawal is an exception based on unusual or emergency circumstances beyond the student's control. Categories of hardship include physical, psychological, and personal. Documentation for a hardship withdrawal is based upon the category of hardship claimed by the student. Examples of documentation might include the following:

- **Physical**: Physician's report, including name, address, phone number, nature of illness or accidents, dates of treatment, prognosis, and recommendation.
- **Psychological**: Memo from the Counseling Center counselor or letter from private psychological or psychiatric service, illness, and dates.
- **Personal/Familial**: Copy of divorce papers, police reports, obituaries, other as relevant.

Such circumstances are categorized as follows:

**Physical** - Examples include bodily injury or invasive surgery resulting in prolonged absences from class, or unexpected physical disability preventing completion of course work. Necessary documentation to support such claims would include a physician's report, including name, address, phone, nature of illness or accidents, dates of treatment, prognosis, and recommendation.

**Psychological** - Examples include extreme mental duress suffered from traumatic experiences, of the severity and frequency to prevent completion of course work. Necessary documentation to support such claims would include a memo from a UWG Counseling Center counselor that includes dates of treatment and a clear recommendation of whether a hardship withdrawal be given.

**Personal** - Examples include significant change in financial status or personal tragedy such as the death of a loved one or domestic disruptions, to the degree to prevent completion of course work. Necessary documentation to support such claims might include copy of divorce papers, financial statements, police reports, obituaries, or other pertinent documents.

A list of invalid reasons for a hardship withdrawal is provided in the Hardship Withdrawal Policy, located in the University of West Georgia Student Handbook.

The following list is illustrative of invalid reasons for a hardship withdrawal. A request using these reasons will not be approved.

- Poor performance in one or more courses
- Registration for the wrong course
- Preference for a different professor or class section
• Failure to drop course during the drop/add period
• Failure to withdraw by the published deadline using normal procedures

What is the process for receiving a hardship withdrawal?

University of West Georgia undergraduate and graduate students may request a hardship withdrawal or may be administratively withdrawn from the university. Please see the University of West Georgia Registrar's Office website and University of West Georgia Student Handbook for details. Students must initiate a hardship withdrawal using the Request for Hardship Withdrawal form found on the website of the Provost and Vice President of Academic Affairs.

The student seeking a hardship withdrawal must initiate the request through either Health Services or Counseling Center. The student should be prepared to present documented evidence to substantiate the hardship being claimed. After interviewing the student and reviewing the appropriate documentation, the professional staff will make a determination to either recommend or not support the request for hardship withdrawal. This determination will be filed as a report consisting of the request form and a letter explaining the decision and delivered as a confidential document to the appropriate unit within Academic Affairs. For students with a declared major, the appropriate academic official is the Dean of the College (or her/his designate) where the major department is housed; for undeclared students, reports should be delivered to the Honors College. The appropriate dean has the final authority as to whether the request is granted, with any appeal limited to the Provost and Vice President of Academic Affairs. If the request is granted, the student will receive a W for each course. The Registrar’s Office is to be notified by the academic office in cases where the request is granted and the student is to be notified of the decision in all cases.

1. The student completes the using the Request for Hardship Withdrawal form found on the website of the Provost and Vice President of Academic Affairs. The student should be prepared to provide documented evidence to substantiate the hardship being claimed.
2. The student submits the completed Request for Hardship Withdrawal form and documented evidence to Health Services (HS) or the Counseling Center (CC).
3. The HS or CC professional staff will interview the student, review the documented evidence, and recommend to support or not support the request for Hardship Withdrawal. HS or CC professional staff will send the request form and a letter, which explains the recommendation, as a confidential document to the appropriate unit within Academic Affairs, while retaining the documented evidence in their confidential files.
   • Undergraduate students with a declared major: The request form and recommendation letter will be sent to the Dean of the College where the major department is housed.
   • Undeclared students: The request form and recommendation letter will be delivered to the Dean of the Honors College.
   • Graduate students: The request form and recommendation letter will be sent to the Dean of the College where the graduate program is housed.
4. The Dean has the authority to approve the Request for Hardship Withdrawal. If the Dean approves the request, the Dean’s Office will notify the student of the approval and communicate with the Registrar to change the grade/s to W.

5. If the Dean does not approve the request, the Dean’s Office will notify the student of the denial. The student may then request a review by the Provost. It is the student’s responsibility to notify the Dean that he or she wants the Provost review to be done. When notified by the student, the Dean will forward the request form and recommendation letter to the Provost.

6. The Provost has the final authority to grant the Request for Hardship Withdrawal. If the Provost approves the request, the student will receive a W for each course. The Provost’s Office will notify the student that the request was approved and communicate with the Registrar to change the grade/s to W. If the Provost denies the request, the Provost’s Office will notify the student of the denial. The Request for Hardship Withdrawal ends with the Provost.

Under what conditions is a hardship withdrawal request granted?

A hardship withdrawal is intended as relief for extreme circumstances and granted only in special instances. The following conditions apply:

- The student must meet the timelines and follow the steps outlined above, with emphasis on providing documentation in support of the claims warranting the request.
- The student must withdraw from all classes during the current term, and may not select only certain classes from which to withdraw.*
- Hardship withdrawals requested on or after the last day before the final exam period will be treated as a retroactive hardship withdrawal.** Retroactive hardship withdrawals will not be allowed if the student has completed all course requirements such as a final examination and/or a final project. Retroactive hardship withdrawals will not be granted for semesters occurring more than six months prior to the time the request is made.

* Under unusual circumstances, a student may be granted a hardship withdrawal from only one class, while being allowed to remain in others. An example would be a student who is passing an applied piano course and injures a finger, thus being unable to play the piano the rest of the semester. A student would be allowed to complete other courses being taken concurrently. The student requesting a hardship withdrawal from one course must take all documentation to the Associate/Assistant Dean of the college offering the course.

** For unusual circumstances, the Provost and Vice President of Academic Affairs may waive this policy and grant a retroactive hardship withdrawal.
205.02 Limited Course Withdrawals

Undergraduate students may withdraw from courses with a grade of “W” a maximum of six times
during their entire undergraduate enrollment at the University of West Georgia. After the limit of six
withdrawals is reached, students are permitted to request exceptions only for circumstances beyond their
control. Please see the University of West Georgia Registrar’s Office website for details.

Undergraduate students may withdraw from courses with a grade of “W” (Withdraw Passing) a
maximum of six times during their entire undergraduate enrollment at the University of West Georgia.
Students must withdraw from courses during the Withdrawal “W” Period, as noted on the Registrar’s
Calendar in The Scoop. Retroactive withdrawals for prior terms are not permitted. The Withdrawal “W”
Period typically begins after Drop/Add and closes at mid-term. Grades of “W” do not count toward the
grade point average.

It is recommended that students consult with the instructor, academic advisor, Financial Aid, Bursar, and
International Services and Programs (if applicable) before making the decision to withdraw from a
course, since undesirable consequences may follow. See the Registrar’s Limited Course Withdrawals
website for student examples and potential consequences. See the Registrar’s Limited Course
Withdrawals website for examples of the different types of allowable withdrawals and the financial or
academic penalties that may result from these withdrawals.

See the Registrar’s Limited Course Withdrawals website for examples of the different types of allowable
withdrawals and the financial or academic consequences that may result from these withdrawals.

For example:

- Students must make Satisfactory Academic Progress (SAP) to maintain eligibility
  for both federal and state financial aid.
- Student athletes must maintain full-time status to retain athletic eligibility.
- International students on an F1 or J1 visa must maintain full-time status to protect
  their immigration status.
- Withdrawing from a course will delay progress toward graduation.

Students who attempt to withdraw from a course after reaching their maximum of six withdrawals will
continue to be enrolled and will receive a grade at the end of the term, unless the Dean (or Dean’s
designee) approves the exception. See Petition for Exceptions below.

Automatic Exceptions

The following exceptions do not count toward the maximum of six course withdrawals:

- Grades of W placed on the transcript prior to Fall 2013
- Grades of W included in transfer work
- Withdrawals from courses taken during Summer terms
- Hardship withdrawal
Petition for Exceptions

After the limit of six withdrawals is reached, students are permitted to request exceptions only for circumstances beyond their control. Students appeal in writing to the Dean (or Dean’s designee) of the college or school that houses their major. Undeclared students should appeal in writing to the Dean of the Honors College (or Dean’s designee). The written request (typewritten) should include the following: (1) description of the exact nature of the appeal, (2) reason for the appeal, and (3) supporting documentation, if applicable. Appeals are not heard unless the student has reached the maximum number of withdrawals allowed.
UWG PROCEDURE NUMBER: UWG Procedure 2.7.1, Faculty Workload
Authority: UWG POLICY: UWG Policy 2.7, Teaching Responsibilities

The University of West Georgia faculty, pursuant to the authority of UWG Policy 2.7, establishes the following procedures for compliance with UWG Policy 2.7 on Teaching Responsibilities:

Purpose of the procedure is to clearly communicate to University of West Georgia faculty the faculty workload procedures.

A. Definitions.

1. Faculty workload - includes all faculty activities that contribute to the accomplishment of university-related activities and responsibilities: research, service, and teaching.

B. Faculty Workload Procedure.
UWG Faculty Handbook, section 127:

127.01 Faculty are expected to teach four 3-hour courses or the equivalent per semester unless a portion of that time is reassigned for administrative, research, or other purposes approved by the dean or a lesser load is required to maintain specialized accreditation (e.g., AACSB).

127.02 Faculty are expected to assume their fair share of academic advising, program, departmental, school, college, university committee work.

127.03 Faculty are expected to accept a reasonable share of institution-wide service activities, including institutional governance when selected. However, faculty are also expected to exercise prudence in accepting such service, so that they are not taking on a disproportionate or unduly burdensome load that interferes with teaching and research.

127.04 Faculty are expected to have an on-going research and professional development agenda, to share the agenda with their department chair, and to make progress annually in addressing the agenda.

127.05 Faculty are expected to engage in public and professional service activities as time and opportunity allow.

127.06 Faculty are expected to average no more than one day a week in any approved outside employment.

127.07 Faculty may not be paid for teaching overloads during the regular academic year and will not be assigned overloads unless they are agreeable and compensatory time is provided within the subsequent two-semesters. Please refer to the BOR Faculty Overloads and Instructional Staff Responsibilities (4.10 Faculty Overloads and Instructional Staff Responsibilities).
127.08 Summer teaching is optional, depends on need, and is limited to no more than 9 credit hours for the summer semester.

Pursuant to BOR Academic Affairs 3.1 General Policy, BOR Policy 8.2.15, BOR Policy 8.3.12.4, and BOR Academic and Student Affairs Handbook section 4.10:

3.1 General Policy, 8.2.15 Outside Activities, 8.3.12.4 Research, Saturday Classes, and Off-Campus Continuing Education and 4.10 Faculty Overloads and Instructional Staff Responsibilities.

C. Compliance.

The University of West Georgia follows the Board of Regents policies on this matter, and to the extent the language conflicts, the Board of Regents language prevails.

Undergraduate Programs Committee
Purpose: to receive and consider requests for modifications to the undergraduate curriculum as specified in the UWG Shared Governance Procedures for Modifications to Academic Programs and to advise the Provost and Vice President for Academic Affairs on said requests; to recommend policies and procedures concerning undergraduate degrees and academic programs (including majors, concentrations and minors) extended degree programs, international programs, core curriculum and individual undergraduate courses; to advise on incorporating diversity and inclusion into curricula as appropriate; as well as to review comprehensive program reviews. The Core, Honors, and Interdisciplinary Programs (CHIP) subcommittee of this committee, consisting of four senators and three representatives, will make recommendations about curricula in the stated areas. The members of this sub-committee will be chosen by the committee as a whole.

Membership: ten senators; seven faculty, one elected from each of the five colleges (COSM, COSS, COAH, RCOB, COE), the School of Nursing, and the Library; four administrators: the Registrar and a Provost appointee will sit on the main committee; the Dean of the Honors College and the Executive Director of Interdisciplinary Programs will sit on the CHIP subcommittee; one student, appointed by SGA.
