   Good Academic Standing for a student enrolled in a Non-Degree Initial Certification Program for teacher certification is defined as a cumulative GPA of 2.7 or higher.
   Any graduate level student earning a grade of F or WF, regardless of his/her academic standing, will be referred to his/her program and, at the discretion of the program, may be suspended from the program.

   A student will be dismissed from the following two programs if he or she earns two C’s or one F.
   - Ed.D. in School Improvement
   - Ed.D. in Professional Counseling and Supervision

Committee IV: Academic Policies Committee (Chair, David Leach)

Action Item:
A) Proposal: The Academic Policies Committee requests that the Faculty Senate approve modifications to Section 208 of the Faculty Handbook.

Preamble: The policy was and proposed changes highlighted. The modifications improve the clarity of the section and make the following substantive changes:

Changing the title of Section 208 from "Subcommittee for Dishonesty and Grade Determination Appeals" to "Academic Appeals." This is more appropriate because Section 208 also includes general appeals for admission to the University.

Adding back the requirement that a grade appeal must be "concluded no later than one year, 12 calendar months, after the assignment of the grade." This requirement was inadvertently omitted during the previous modification.

Spells out that there are three types of academic appeals:

a. Admission appeals
b. Grade appeals (2 types - academic dishonesty and grade determination)
c. Academic Suspension (one term, one year) or Academic Dismissal from the University

Changes the name of the General Appeals Subcommittee to "Admission Appeals Subcommittee."

Motion approved by unanimous consent. (See attachment)
