*This is the tabled item.*

**Information Item:**

A) Emily McKendry-Smith will be the Academic Policies Committee Chair in the 2016-2017 academic year.

**Committee V: Faculty Development Committee (David Boldt, Chair)**

**Action Items:**

A) Changes to Faculty Handbook:

1) 102.02 Non-Tenured Faculty
   a) Pre-Tenure reviews must be submitted electronically beginning Fall 2018

In the discussion, it was noted that an implementation date of Fall 2018 gives the Provost and an ad hoc committee two years to define the process and identify the platform. It was also suggested that this gives opportunities for departments to add language for their own procedures. Another suggestion was that protocols be formulated for backing up the data.

*Item approved unanimously by voice vote.*
b) The addition of a statement of what at a minimum should be included in a Pre-Tenure Review report

*Item approved unanimously by voice vote.*

2) 103.02 Procedures (Promotion and Tenure)

a) Effective Fall 2018, all promotion and tenure dossiers be submitted electronically

*Item approved unanimously by voice vote.*

b) A few minor edits

*Item approved unanimously by voice vote.*

3) 103.0301 Time Limits--Promotion

a) Revision of this section (103.0301) to incorporate language used by Board of Regents in Section 4.5 of the USG Academic and Student Affairs Handbook.

Text:

The institutional timeline for the review of faculty for promotion must be considered by early February of a given academic year in order to meet the data entry deadline of the end of February for the annual report to the Board of Regents.

*Dr. Boldt explained that the text above is new, in order to comply with BOR policy. The following two paragraphs are the same wording from the current Faculty Handbook:*

A Lecturer may serve in rank six years. Reappointment after six consecutive years of service will be permitted only if the lecturer has demonstrated exceptional teaching ability and extraordinary value to the institution. Lecturers who have served for a period of at least six years at the University of West Georgia may be considered for promotion to Senior Lecturer if they have met criteria for Senior Lecturer.

An Instructor may serve in rank a maximum of seven years. He or she should be considered for promotion as soon as he or she has met criteria for Assistant Professor. To be considered for tenure-track appointment at the assistant professor level, BOR policy 8.3.7.6 should be applied regarding years of service.

*The following two paragraphs of text have a minor change from the language in the Faculty Handbook. Additionally, a friendly amendment was added to insert “(academic year)” after “next contract period” to make it more clear.*

An Assistant Professor is eligible for and may be reviewed for promotion in rank during their fifth year of service in their current rank at the University of West Georgia. If recommended for promotion, the new rank will go into effect at the beginning of the next contract period (academic year). Recommendations for promotion are not normally considered for individuals who are currently on leaves of absence.
An Associate Professor is eligible for and may be reviewed for promotion in rank during their fifth year of service in their current rank. If recommended for promotion, the new rank will go into effect at the beginning of the next contract period (academic year). Recommendations for promotion are not normally considered for individuals who are currently on leaves of absence.

*The following text is new from USG, word for word:*

Under special circumstances, faculty who are performing significantly above the expectations for their current rank may be considered for “early” promotion. Early promotion may only be considered according to the following time table:

- For early promotion from Lecturer to Senior Lecturer, faculty must have served a minimum of three years as a Lecturer
- For early promotion from Instructor to Assistant Professor, faculty must have served a minimum of three years as an Instructor
- For early promotion from Assistant Professor to Associate Professor, faculty must have served a minimum of four years as an Assistant Professor
- For early promotion from Associate Professor to Full Professor, faculty must have served a minimum of four years as an Associate Professor

*Item approved unanimously by voice vote.*

4) 103.0302 Specific Minimum Criteria for Promotion

   a) Addition of a statement on scholarly teaching (103.0302, 5.1.5) and on the scholarship of teaching and learning (103.0302, 5.3.3)

*Item approved unanimously by voice vote.*

5) 103.0303 Probationary Credit Towards Promotion

   a) Addition of a statement regarding probationary credit towards promotion (consistent with 4.5.1 in USG Academic and Student Affairs Handbook)

Dr. Boldt stated that this new section is BOR language, word for word.

*Item approved unanimously by voice vote.*

6) 103.05 Curriculum Vitae

   a) Elimination of the vitae template in the Faculty Handbook. Replace it with a statement “Candidates must submit a curriculum vitae appropriate to the candidate’s discipline.”

*Item approved unanimously by voice vote.*

7) 103.0601 Instructor/Course Evaluation Questionnaire

   a) Insert a copy of the student evaluation of instruction instrument into the handbook

*Item approved unanimously by voice vote.*
8) 104.0205 Documentation Required (Post-Tenure Review)

   a) Effective Fall 2018, all Post-Tenure Review dossiers must be submitted electronically

   Item approved unanimously by voice vote.

Committee IX: Facilities and Services Committee (Molly McCullers, Chair)
Action Items:

A) UWG Parking Code 2016-2017

It was noted that the most significant change in the Parking Code is that the Welcome Center will issue visitor hangtags.

Item approved unanimously by voice vote.

Committee XII: Budget Committee (Andrea Stanfield, Chair)
Information Item:

A) Legislative update (Kyle Marrero)

Ms. Stanfield announced that Brad Yates will chair the Budget Committee for 2016-2017.

President Marrero discussed salary information first. He stated that $106,500 in recurring dollars is necessary to get us to 85% of the CUPA median (where we were). Looking at staff, about $75-100K as an increase is needed in those ranks to maintain current levels. We are waiting for the Sipson study results. The 3% increase was approved early this morning by the legislature; now the Governor must sign. This includes funding for the Biology Building ($18.97M) and $60M for maintenance, renovations, and repairs. The realization of the 3% across-the-board merit raise won’t be that, due to the legislature dropping $11M in health care funding, so 2.5% might be what we actually receive. Dr. Marrero noted that UWG salaries have increased $3.9M in the last two years.

As a legislative update, President Marrero talked about the “Hope” bill, about an elevation of GPA within degree courses, mostly in STEM. This is just for Hope eligibility. The taser bill (HB 792) did pass, affecting anyone 18 years of age or older. This bill now goes to Governor Deal, who has until May 3 to veto it, or it becomes effective July 1. Regarding campus carry (HB 859), the Governor asked legislators to amend it, but none have proposed amendments so far. This has the same timeframe as the taser bill. Dr. Marrero has written a letter to Governor Deal to urge him to veto the bill. The President has also created a task force that will assemble to figure out how to police this on our campus, if implemented. Dr. Marrero stated that our two local representatives co-sponsored the bill and voted for it.

Dr. Marrero formed an Inclusion Committee, which started working in January. The group wants a baseline for our climate here at UWG, so a survey will be distributed to undergraduate and graduate students. It is titled 2015-2016 Benchworks Student Campus Climate, Safety and Sexual Assault Assessment Factor Composition. It has 83 questions and should take about 10-20 minutes for a student to complete. Dr. Marrero urged faculty to distribute it to their students at the time of student evaluations and have them stay and complete it. This will be voluntary on the part of faculty. Dr. Marrero recognized the preciousness of class time, but said that it would help if faculty could find a way to incorporate it. Paper
copies will also be made available at other distribution points, like Ingram Library. The survey will not have an identifier, so students may complete it multiple times, if they desire. Look for the survey to be distributed this Spring semester.

The President announced the death of Ingram Library employee Pat Gerard, who passed away last night from a heart attack.
