Committee II: Academic Policies and Procedures (Chair, Perry Kirk)  
**Action Item: Approved**  
A) The committee recommends the following change to the admission standards for homeschooled students.
Current admission standards for home-schooled students include submission of SAT or ACT scores and “satisfactory documentation of equivalent competence in each of the College Preparatory Curriculum (CPC) areas….as documented by a portfolio of work and/or other evidence that substantiates CPC completion.”

Undergraduate Admissions proposes eliminating the “portfolio” requirement as sister schools no longer require it, and some students may choose to go to other schools because of the added requirement. Sister schools now allow the submission of a curriculum evaluation form to document CPC areas.

Note: Board of Regents policy requires a higher SAT/ACT standard than other freshman applicants. Home schooled students who enroll at UWG tend to be successful.

The proposed wording would read: “satisfactory documentation of equivalent competence in each of the College Preparatory Curriculum (CPC) areas….as documented by a curriculum evaluation form that substantiates CPC completion.”

Committee III: Faculty and Administrative Staff Personnel (Chair, Chris Huff)

Action Item: Approved—Request made to have FASP examine the possibility of ORP participants having the option to change to TRS.

A) The committee recommends the following resolution for endorsement by the UWG Faculty Senate:

Resolution of the University of West Georgia Faculty Senate on Proposed Changes to the Teachers' Retirement System Cost of Living Annual Increases (COLA)

Whereas the faculty represented in the University of West Georgia Faculty Senate support the Board of Regents in its goal of "Creating a Better Educated Georgia"; And Whereas the University of West Georgia Faculty Senate supports the University System of Georgia Strategic Plan, in particular the goals to renew excellence in undergraduate education to meet students' 21st century educational needs and to increase the System's participation in research and economic development to the benefit of a global Georgia by enhancing and encouraging the creation of new knowledge and basic research across all disciplines;

And Whereas the achievement of these goals is dependent upon the recruitment and retention of the most highly qualified faculty and staff;

And Whereas the maintenance of strong retirement plans is essential if we are to recruit and retain the best faculty and staff possible at all levels and thereby meet our commitment to a better educated Georgia;

And Whereas the proposed change in Teachers Retirement System board policy concerning Cost Of Living Annual Increases (COLA) for current and future retirees from the present one, adopted in 1969, that states that the TRS "shall give" its members a 1.5% COLA in July and January of every year to a statement that the TRS "may give" a 1.5% COLA in July and
January, the decision on whether to grant a COLA (and how much) to be made each May, threatens the ability of the University System of Georgia to recruit and retain the best faculty and staff possible;

And Whereas the contributing members of the Teachers Retirement System of Georgia have entered into a contractual agreement that guarantees the certainty of the current COLA benefit;

Be it resolved by the University of West Georgia Faculty Senate that the Senate opposes the proposed change as a threat to the goals of the University System of Georgia and that the secretary of the Senate shall provide the chair of the TRS Board of trustees, Dr. Virginia J. Dixon, with a copy of this resolution.

Committee VII: Institutional Studies and Planning Committee (Chair, Sunil Hazari)
Action Item:

Committee X: Honors College Committee (Chair, Don Wagner)

Action Item:

A) The Faculty Handbook (http://www.westga.edu/vpaa/index_1973.php) stipulates 306.0207* Note: Attendance at fall and spring commencement is shared by the faculty as designated by the faculty marshals. Half of the faculty who are teaching in summer are expected to attend the summer commencement. The deans will notify the Vice President for Academic Affairs who will notify the marshals of those faculty members marching. *All faculty are expected to attend Honors Convocation.* Faculty members needing to be excused from their commitment should notify the office of the Vice President for Academic Affairs and will ordinarily be expected to find a replacement.

1. The Honors College Committee respectfully recommends that the sentence in bracketed in stars (*) in the text above be replaced by the following: Approximately one third of faculty members are expected to attend Honors Convocation and about one third are expected to attend the fall and spring commencement ceremonies.—Approved

2. Finally, the Honors College Committee also recommends that any faculty member teaching in the summer who has attended one of these three ceremonies during the academic year shall not be required to march in Summer Commencement even if teaching in summer semester.—Strikten as an action item and was recommended this issue be addressed by the appropriate Faculty Senate Committee possibly Academic Policies and Procedures.
Committee XI: Technology Planning Committee (Chair, Danilo Baylen)

Information Item:
A) Statement on E-Tuition Distribution

The committee supports the current university position on e-tuition money distribution of 40% (Department), 40% (DDEC), 20% (College) until more data is collected on how the money received is being used.

B) Statement on Extending the Existing Technology Plan

The committee recommends the extension of the existing Technology Plan (2002-2007) until a new plan is completed and approved by the Faculty Senate. Given the recent reorganization of the Information Technology Services (ITS), the extension will provide the committee more time to develop a plan that is aligned with the appropriate components of the University Strategic Plan scheduled for implementation in 2010.

5. Old Business

6. New Business—Requests were made for Technology Planning Committee to explore a better e-mail system and the adequacy of the infrastructure to support our online course management system.

Action Item
A) A draft of USG Faculty Bylaws was forwarded by the USG Faculty Council to system institutions for review. Not Approved.

7. Announcements

8. Adjournment—Meeting was adjourned at 4:40 pm.
