Renaud, Chris, Major new work as cinematographer occurred on two projects in 2016 - with currently similar titles - - Crossland is a six-episode web series and - Crossroad (working title, will be changing) is a 15-min short film written and directed by Stacy Barton. Both projects contained aspects of new personal technical skills and research for myself, and for students, active experiential learning and mentoring. As with every project and with each collaborator, knowledge, skills and problem solving flow freely between projects and funnels back into teachable skills in the classroom.

Renaud, Chris, Trailer for our *Caihong City* feature (link) continues to screen and collect honors as post-production visual effects funding continues. It was official screening selection at six festivals: the Amarcord *Chicago Arthouse Television and Video Awards*, in Dec 2016 (link); the 17th *Valley Film Festival* (link), *Trailer Film Fest* (link), *International 12 Months Film Festival* Trailer of the Month, (link) *Festival de Cinema de AVANCA, Portugal* (link), and *Paris Play Film Festival* (link).
