

ABOUT THE MAJOR

The Criminology Program is committed to providing quality instruction to students on subjects that fall within the scope of the discipline, conducting research that contributes to the body of knowledge in criminology and criminal justice, and engaging in service grounded in the practical application of our knowledge and skills. Its faculty represents broad and varied backgrounds in working within the criminal justice system and human services, as well as conducting research on a wide range of criminal justice issues. We seek opportunities to involve students in a range of professional activities to facilitate their entry into the job market or post graduate studies.

ABOUT THIS MAP

This program map is intended ONLY as a guide for students to plan their course of study. It does NOT replace any information in the Undergraduate Catalog, which is the official guide for completing degree requirements. Use this map to help plan and guide your experience at UWG, including academic, co-curricular, and discovery opportunities. Everyone's experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.
