ABOUT THE MAJOR

The University of West Georgia Tanner Health System School of Nursing Undergraduate Program offers a Bachelor of Science in Nursing (BSN) degree on two campuses. The Carrollton campus offers a six semester program and the Newnan campus offers an eight semester program. The traditional track offered on these campuses are for students who have never been licensed as an RN. This program prepares graduates who are eligible to apply to take the NCLEX-RN, the national licensing examination to become a Registered Nurse. The Traditional BSN program admits once each year in the Summer.

ABOUT THIS MAP

This program map is intended ONLY as a guide for students to plan their course of study.
