ABOUT THE MAJOR
The Bachelor of Science in Nursing, RN to BSN program, is a 100 percent online program designed for licensed RN’s both in the state of Georgia and out of state who are seeking a BSN degree. The program prepares RN’s for professional advancement and offers interactive learning through an asynchronous online environment. This program combines a rich and liberal foundation the arts, sciences, and humanities with a unique nursing curriculum that emphasizes the art and science of nursing. Program applications are accepted from February 1 to May 1 for Fall admission. Please visit the RN to BSN page on the School of Nursing website for more information on admission, application, advising, and program plan of study.

ABOUT THIS MAP
This program map is intended ONLY as a guide for students to plan their course of study. It does NOT replace any information in the Undergraduate Catalog, which is the official guide for completing degree requirements. Use this map to help plan and guide your experience at UWG, including academic, co-curricular, and discovery opportunities. Everyone’s experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.
