ABOUT THE MAJOR

The mission of Health and Physical Education is to develop exemplary practitioners. The emphasis of the program is on building skills for teaching student learners in K-12 health and physical education programs. The program focuses on the promotion of lifetime health, wellness, and physical activity.

ABOUT THIS MAP

This program map is intended ONLY as a guide for students to plan their course of study. It does NOT replace any information in the Undergraduate Catalog, which is the official guide for completing degree requirements. Use this map to help plan and guide your experience at UWG, including academic, co-curricular, and discovery opportunities. Everyone's experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.
