ABOUT THE MAJOR

The Sport Management program is an academically rigorous program geared to develop leaders for today's sport industry. Graduates of the program are prepared to compete for entry-level managerial positions in intercollegiate athletics, professional sport organizations, governing agencies, golf course administration, health and fitness, and sport marketing firms among others. The faculty is committed to the advancement of knowledge and practice in the sport industry through the creation and delivery of relevant educational programs, conducting and disseminating research, and working collaboratively with industry organizations.

ABOUT THIS MAP

This program map is intended ONLY as a guide for students to plan their course of study.
