

ABOUT THE MAJOR

UWG Music offers professional undergraduate and graduate degree programs in music. These programs are designed to prepare talented students for careers in music education, performance, or composition.

In addition to the specific degree programs, students find enrichment through concerts, recitals, workshops, and master classes by visiting performers and scholars and the program’s full-time and part-time faculty. The University of West Georgia is an accredited institutional member of the National Association of Schools of Music (NASM).
