

## ABOUT THE MAJOR

Our BS in Computer Science program offers students a focused and progressive curriculum that provides the the knowledge needed to succeed as software developers in today's information technology job market.

The program is offered face-to-face at the UWG Carrollton campus and is accredited by the Computing Accreditation Commission of [ABET](#), under the commission's General Criteria and Program Criteria for Computer Science.

## ABOUT THIS MAP

This program map is intended ONLY as a guide for students to plan their course of study. It does NOT replace any information in the Undergraduate Catalog, which is the official guide for completing degree requirements. Use this map to help plan and guide your experience at UWG, including academic, co-curricular, and discovery opportunities. Everyone's experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.
