ABOUT THE MAJOR

Digital Media & Entertainment engages students in courses that build knowledge and skills in traditional electronic and emerging digital media. Students explore historical, theoretical, and structural concepts of programming, management, and production of informational and entertainment radio, television, and online content to serve today's multicultural society. Students learn the art and science of successful storytelling, and create and produce original content for multiple digital media platforms. Students gain hands-on experience early on and throughout their tenure with WUTV and WOLF Radio.

ABOUT THIS MAP

This program map is intended ONLY as a guide for students to plan their course of study. It does NOT replace any information in the Undergraduate Catalog, which is the official guide for completing degree requirements. Use this map to help plan and guide your experience at UWG, including academic, co-curricular, and discovery opportunities.
