Pave Your Path

**First Year**
- Make sure to take CRIM 1100 and 2000 before in your first couple of semesters. These are your only prerequisites!
- Make sure to take your English and Math courses right away

**Middle Years**
- Don't put off those science courses!
- Take one of your upper-division major courses each semester (Theory, Research Methods, and Statistics) to avoid getting overwhelmed.
- Make sure to mix these in with your other coursework so that you're developing the skills you need when you need them and not overwhelming yourself in a single semester.

**Last Year**
- Use your electives to explore other disciplines and find courses complementary to your major! Not sure where to start? Ask your Criminology faculty mentor and your advisor what they would recommend!
- Take Senior Capstone when you're classified as a senior.
- Explore internship opportunities that may count towards your upper-division electives! Ask the Criminology internship coordinator for details.
