

GUIDANCE ON COVID-19

ARE YOU EXPERIENCING SYMPTOMS OF COVID-19? THEY INCLUDE:

- Fever (over 100.4°F) or chills
- New loss of smell or taste
- Cough
- Muscle aches
- Sore throat
- Shortness of breath or difficulty breathing
- New or unusual headache
- New onset of any gastrointestinal symptoms (such as nausea, vomiting, diarrhea, or loss of appetite)

I HAVE TESTED POSITIVE

WHICH ARE YOU?

STUDENT

- If you're not there already, return to your residence, and please refrain from taking public transit.
- Report your positive test result via the [Student COVID-19 Reporting Form](#).
- See the documents linked at the top of the [Student COVID-19 Reporting Form](#) for instructions on how to isolate.
- If you require medical attention, contact your primary care physician or UWG Health Services ([678-839-6452](tel:678-839-6452)).
- If you are living on campus, expect a call from the UWG CARE Team within 24 hours. Otherwise, you will be contacted by the UWG Contact Notification Team and the Georgia Department of Public Health at a later date for contact tracing purposes.

FACULTY/STAFF

- If you're on campus, return to your place of residence.
- Report your positive test result to the Human Resources COVID-19 Response Team by calling [678-839-6111](tel:678-839-6111) or by emailing covid-hr@westga.edu.
- If you require medical attention, contact your primary care physician.
- Await a call from the Georgia Department of Public Health for contact tracing purposes.

YES, I HAVE SYMPTOMS

FOLLOW THE "HOW TO TEMPORARILY ISOLATE" GUIDELINES:

- Stay at home or in your residence hall room until you can get a medical evaluation.
- Separate yourself from others and wear a face covering in non-private spaces.

STUDENT

- Complete the [Student COVID-19 Reporting Form](#).
- Contact UWG Health Services at [678-839-6452](tel:678-839-6452) or consult with your primary care physician.

FACULTY/STAFF

- Inform the Human Resources COVID-19 Response Team by calling [678-839-6111](tel:678-839-6111) or emailing covid-hr@westga.edu.
- Consult with your primary care physician.
