РНОТО	A photo helps personalize your account	
NAME	Lo Denmon	>

Click the bar with your name. OneLogin may prompt you for your username and password for multi-factor authentication. Input this information, and verify your access.

Name

Changes to your name will be reflected across your Google Account. Learn more

Use the text boxes with your current display name to enter a new display name. Please note that this name may be seen by any person with whom you exchange emails, including future employers.

While changes are not permanent, there may be a limit to the number of times changes can be made within a short period of time. Improper

use of this name change feature may result in unintended consequences, including disciplinary action in some cases.

Confirm changes by selecting "Save." These changes may take up to 24 hours to be effective.

You will become searchable by this name, but you may also be found in searches of your legal name. Emails you send may also have your legal name attached.
