

UNIVERSITY OF WEST GEORGIA

How Do I Review/Update My Direct Deposit Information?

Please note:

You must be present on campus to make these changes.

If you cannot be present on campus, please email hrrservices@westga.edu

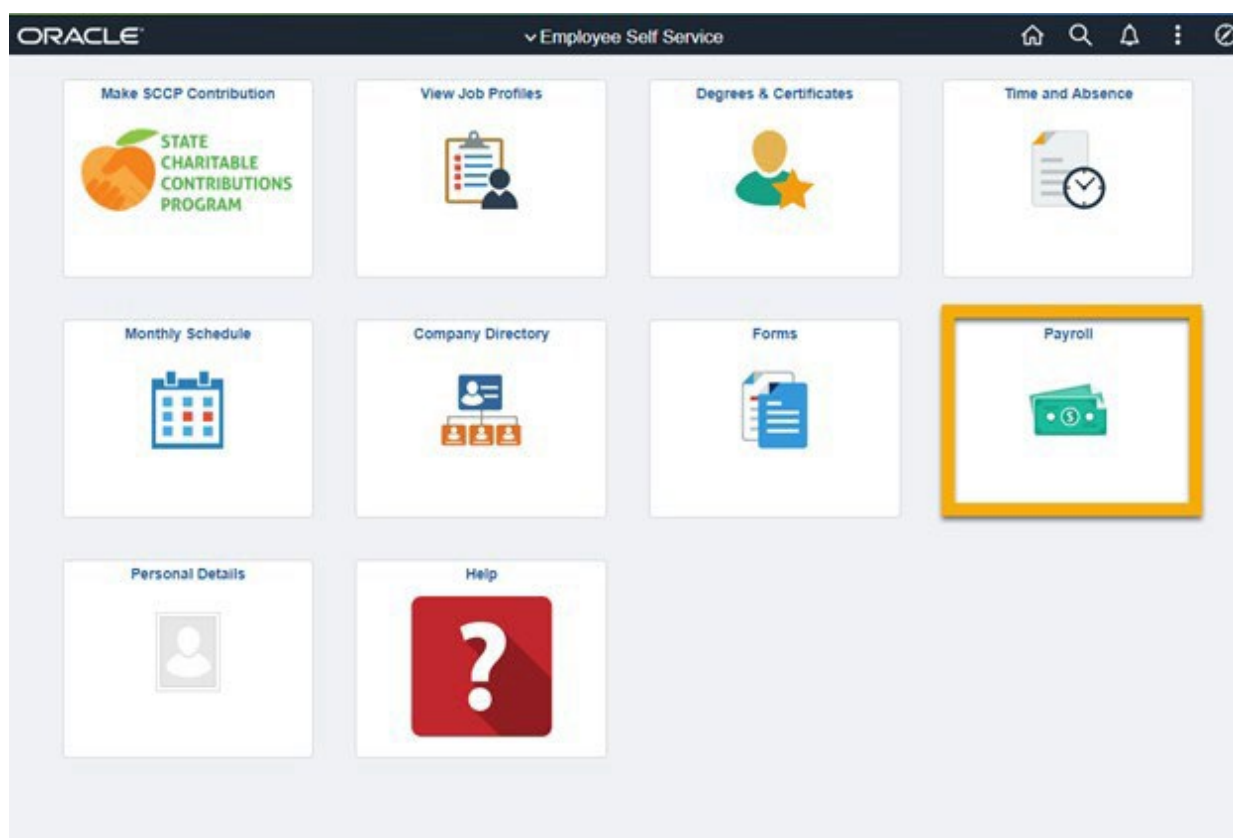

1. Log in to **OneUSG Connect**.

Navigation:

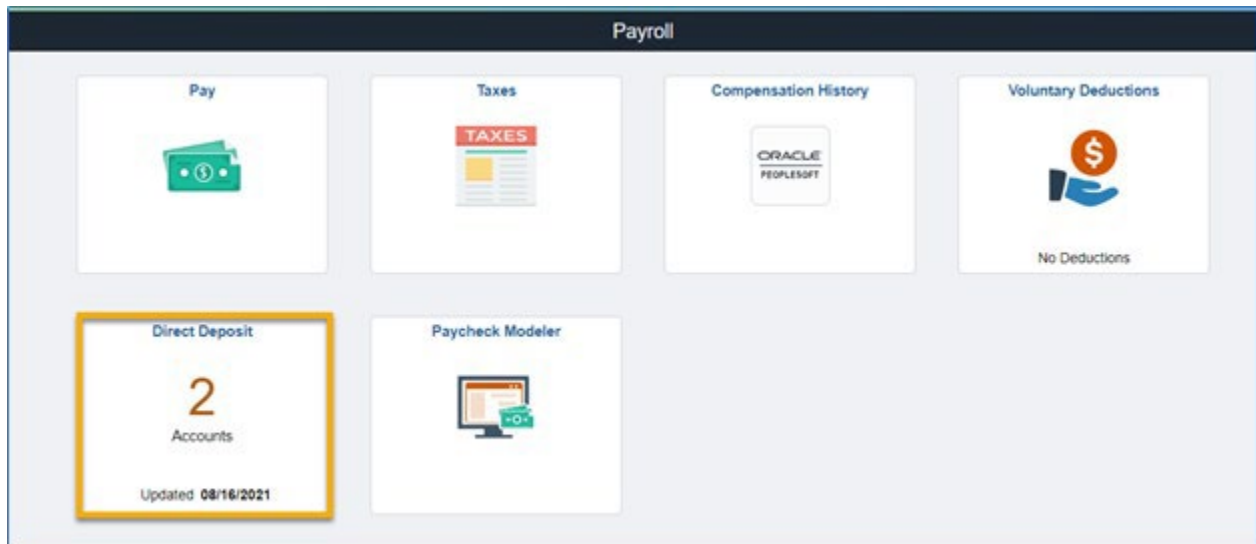

Employee Self Service > Payroll > Direct Deposit

2. Click on the **Payroll** tile.

Note: Employee Self Service tile options may vary depending on your employee type.

3. On the **Payroll** Dashboard click the **Direct Deposit** tile.

4. Review your existing Direct Deposit information.

The screenshot shows the Direct Deposit Accounts table with the following data:

Order	Nickname	Payment Method	Routing Number	Account Number	Account Type	Amount/ Percent
150	Checking150	Direct Deposit			Checking	\$2000.00 >
Last	Checking200	Direct Deposit			Checking	Remaining Balance >

Notes:

- Remaining Balance:** The account that will be sent to PeopleSoft Financials for Travel & Expense reimbursements.
 - All employees must have at least one (1) **Remaining Balance** deposit type.
 - If the Remaining Balance account has a **Payment Method** of “Check”, no banking information will be sent to PeopleSoft Financials for Travel & Expense reimbursements.
- Deposit Order:** During direct deposit processing, distributions are made to accounts in order of priority.
 - Funds are deposited into the account with the **lowest** deposit order first.

- The **Remaining Balance** account should always have the **last** priority because all remaining funds will be deposited into this account.

Example: you have three accounts you wish to set up for direct deposit:

Direct Deposit

Accounts

Order	Nickname	Payment Method	Routing Number	Account Number	Account Type	Amount/ Percent	
1	Vacation	Direct Deposit			Checking	\$25.00	>
2	Savings	Direct Deposit			Savings	\$25.00	>
Last	Checking	Direct Deposit			Checking	Remaining Balance	>

- There is a limit of 10 direct deposit accounts for OneUSG Connect.

5. Change the Remaining Balance account.

! Important: The Remaining Balance account cannot be deleted; only edited or updated to issue a “Check”. Please use the instructions, Edit the Remaining Balance Account, listed in section 6 of this document to edit your remaining balance account.

- If the remaining balance account is your only account and the account is closed, and you have no other bank account, you will have to opt for “Check” using the following instructions.
 - Select your remaining balance row.
 - For Payment Method, use the drop-down arrow to select “Check”.
 - Click **Yes** to confirm that the payment method will be changed and you would like to continue.

The screenshot shows the 'Edit Account' form with a confirmation dialog box. The dialog box contains the following text:

The Payment Method has changed.
The information currently associated with the Payment Method will be cleared. Would you like to continue?

Buttons: Yes, No

Form fields visible: *Nickname (Checking100), *Payment Method (Check), Bank section, Routing Number, Account type (Savings).

- Once you answer the question, use the drop down arrow to select "Remaining Balance" for the **Deposit Type**.
- Click **Save** and the remaining balance row will update.

The screenshot shows the 'Edit Account' form with the following changes:

- *Nickname: Checking100
- *Payment Method: Check
- Pay Distribution** section:
- *Deposit Type: Remaining Balance

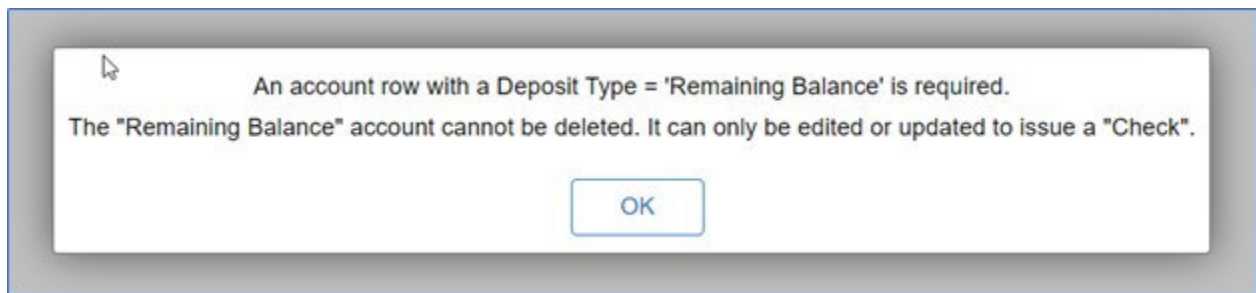

Direct Deposit						
Accounts						
Order	Nickname	Payment Method	Routing Number	Account Number	Account Type	Amount/ Percent
Last	Checking100	Check				Remaining Balance >

- When you open a new bank account you will need to change the **Payment Method** back to "Direct Deposit" and add the new bank account information.
 - Select the Remaining Balance account row.
 - For **Payment Method**, use the drop down arrow to select "Direct Deposit".

- Click **Yes** to confirm that the payment method will be changed, and you would like to continue.
- Enter the **Routing Number**.
- Enter the **Account number** and retype it to confirm.
- Select the appropriate **Account Type**.
- The **Deposit Type** must be set as "Remaining Balance".
- Click **Save** and the remaining balance account row will update.

6. Edit the Remaining Balance account.

! Important: The Remaining Balance account cannot be deleted; only edited or updated to issue a "Check". If you try to remove the remaining balance account, you will receive the following error message. You will need to refresh the page to clear the error message and may then proceed with editing the account.

- a. Refresh the page. Select the remaining balance row so the Edit Account option opens.

The screenshot shows a web application interface for managing direct deposit accounts. A modal window titled "Edit Account" is open, allowing users to update account details. The modal includes a "Cancel" button and a "Save" button. The form fields are organized into sections: "Nickname" (set to "Checking"), "Payment Method" (set to "Direct Deposit"), "Bank" information (including "Routing Number", "Account Number", and "Retype Account Number"), and "Pay Distribution" (with "Account Type" set to "Checking" and "Deposit Type" set to "Remaining Balance"). A "Remove" button is located at the bottom of the modal. In the background, a table of accounts is visible, showing columns for "Order", "Nickname", and "Amount/Percent".

b. Update the following direct deposit information, as needed.

- **Nickname.**
- **Routing Number.**
- **Account Number.**
- **Account Type.**
- **Deposit Type** must remain as "Remaining Balance".

c. Click **Save** and the remaining balance row will automatically update.

7. Update the remaining balance account with new bank information and re-add the previous remaining balance account information to a new or existing account.

- a. Duplicate account types and routing/account numbers should not be used. If you wish to keep a bank account that is established as your remaining balance account but no longer use it as the remaining balance account, you must edit the remaining balance account first, then use the previous remaining balance bank information to add a new account or edit an existing account to avoid the duplicate account type warning.

- b. To edit the remaining balance account, click on the remaining balance row.
 - c. Once the **Edit Account** window opens, add the new bank account information.
 - d. Click **Save**.
 - e. Next, click the add **[+]** option to add a new account or select an existing deposit row.
 - f. Add the previous remaining balance account information to the new account.
 - g. Click **Save**.
8. Edit an existing Direct Deposit Account.
- a. Select the existing account row.
 - b. The **Edit Account** window will then open for you to make changes.
