University Housing and Resident Experience (#8005)

Purpose/Reason for Policy

The University of West Georgia (UWG) shall comply with the University System of Georgia (USG) Board of Regents (BOR) Policies, procedures, and applicable laws and regulations governing the management of student residential housing operations and facilities.

Policy Statement

University Housing policies help create a secure and appropriate living environment for all students and residents. Through the active participation of all residents and their guests in abiding by the policies, a University community conducive to living, learning, and personal growth is established. Residents are responsible for demonstrating their understanding of the policies, Student Handbook and Wolf Code of Conduct, and Employee Handbook.

Scope/Applies To:

☑ All Employees ☐ Faculty ☐ Staff ☑ Students ☑ Vendors/Contractors ☑ Others responsible for complying with laws, policy, and procedures related to student housing. Visitors and Guests

The Chief Student Affairs Officer or designee is authorized to establish procedures for compliance with this Policy,
