## Parking Regulations (FY2025-2026)

Authority for Procedure granted by UWG Policy #6004, [Parking and Transportation Management](#).

The Chief Campus Services Officer, pursuant to the authority of University of West Georgia (UWG) Policy 6004, Parking and Transportation Management, establishes the following procedures for Parking Regulations.

The UWG Parking Services Department establishes and follows these parking rules and regulations on all property owned or controlled by UWG. Parking Services implements the University’s parking plan and manages vehicle registration, permit issuance, lot enforcement, ticket appeal, immobilization and towing for various unsafe and illegal parking practices, and lot scheduling for special events. It is the desire and intent of the University to provide an adequate amount of parking corresponding with the needs of the faculty, staff, and student body limited by constraints of land and finances.

Students, Faculty, Staff, Visitors, Contractors, and Vendors must abide by the Parking Regulations when parked on the UWG Carrollton Campus or UWG-Newnan.

### A. Registration Procedures

All faculty, staff, and currently enrolled students must register their ~~vehiele~~vehicles with Parking and Transportation Services and obtain a hangtag if they intend to park on the Carrollton Campus and/or UWG-Newnan site; this requirement includes students enrolled in fully online programs. Failure to ~~register a vehicle and get a hangtag~~comply may result in a citation.

~~Fully-online students who have not paid the parking and transportation fee will not be issued a hangtag and will be required to use Aims Mobile Parking (AMP). Fully-online students who come to campus must pay the parking and transportation fee to receive a commuter hangtag and will have access to all Commuter and Open Permit lots.~~

#### 1. Where to register:

- i. **Main Campus (Carrollton):** Faculty, staff, and students may register their vehicle for a hangtag at (<https://westga.aimsparking.com>). Hangtags must be picked up at the Campus Services office (Momentum Center, 103 Parker Drive, Carrollton) unless other arrangements have been made.
  - ii. **UWG-Newnan:** In conjunction with Parking Services, the UWG-Newnan Office/ Manager/front desk staff will issue student and visitor hangtags as required. All Faculty/Staff must register on the Carrollton campus.
2. **Student Employees:** Graduate assistants (GAs/GRAs), student assistants, and Federal Work-Study Program (FWSP) students may not register as faculty/staff.
3. **UWG Employees:** Faculty/staff and contracted employees employed for less than 30 days will be issued a temporary hangtag. Over 30 days, the employee will be automatically assessed the required transportation fee through payroll deduction and must pick up a faculty/staff hangtag.
4. **Contractors:** Planning and Construction Services may request temporary parking permits for contractors conducting business on campus. The request should be made one week in advance whenever possible.
5. **Vendors:** Companies and/or individuals will coordinate directly with Parking Services to register for a temporary parking pass. Parking zones for vendors are dependent on the type of services provided.
6. **Trustees, Alumni Board:** University Advancement, in conjunction with Parking Services, provides a Friend of UWG hangtag upon request to these individuals.
7. **Retired Faculty/Staff:** See the Association of Retired Faculty and Staff (ARFS) website, [retiree perks](#) for online submission instructions. For additional information, email Human Resources at [hrservices@westga.edu](mailto:hrservices@westga.edu).
8. **Gate Cards and Gate Remotes:** Full-time faculty/staff may be issued a gate card for a fee. UWG departments can only purchase gate remotes for issuance to their staff. The gate cards and gate remotes remain the property of UWG and must be returned at the end of employment. To request gate cards/remotes, email [parking@westga.edu](mailto:parking@westga.edu) or [campusservices@westga.edu](mailto:campusservices@westga.edu).
9. ~~**Divisional Permits:** Vice Presidents may request "Divisional Parking Permits." This permit entitles the bearer to park in faculty/staff spaces and open permit spaces only while on university business. This permit may only be displayed on a registered vehicle bearing a current hangtag. Bearer must adhere to all parking regulations. Violations are subject to citation.~~
10. **Bicycle and Moped Registration:** All active students and employees who bring a bicycle or moped to campus must register it with Parking Services. Upon registration, Parking Services will issue a uniquely numbered decal to be affixed to the bike or moped. The registration remains valid while a student is enrolled or an employee is active. The owner is responsible for ensuring that their contact information is up-to-date. The registration form can be found on the Parking Services or Bike West website.

## B. Fees for Faculty, Staff, and Students

**General Information:** All active faculty, and staff, ~~and currently enrolled students must~~ pay an annual Parking and Transportation Fee. Enrolled students pay a fee per semester. This fee includes the use of UWG transportation and one hangtag per registrant. For more information concerning transportation fees, visit the [Parking and Transportation Services Fines and Fees website](#).

## C. Hangtags/Decals

Any vehicle brought onto campus by a faculty/staff or student must display an active hangtag, even if the vehicle is being used temporarily. Parking hangtags should be displayed on the windshield mirror anytime at all times while the vehicle is parked on campus. The hangtag must face outward from the vehicle and be unobstructed. If no mirror is available, the hangtag must be placed face-up on the dashboard where the numbers are visible. Motorcycles and convertibles will be issued a unique decal at no charge.

Any vehicle found displaying a hangtag that has been reported lost or stolen will be ticketed and may be towed at the discretion of Parking Services.

## D. Visitor Parking

**Daily Visitors:** Pay-to-park spaces are located throughout campus and may be utilized by any member of the public or University Community. The first 30 minutes are free to park (the registration must be completed to receive that credit). Each additional hour costs \$1. Violators will be ticketed and may be towed at the discretion of Parking Services. For more information concerning AMP spaces, visit the Parking and Transportation Services [website](#).

**Departmental Guest:** University departments have the option to request a Parking Services account in order to send guest parking permit invitations via email from the parking portal. Department guest passes can only be sent to visitors who are not affiliated with the University of West Georgia. The permit can be valid anywhere from one to seven days. Departmental guest permits are valid in Open Permit and Faculty/Staff parking zones.

**ADA Parking for Visitors:** Vehicles must have a state-issued disability license plate or disability placard to park in ADA-designated spaces. Visitors must contact Parking Services at 678-839-6525 for information on registering for ADA spaces.

**Reserved Spaces for Events:** Requests to reserve parking spaces or parking lots for events must be submitted through the Event Management System (EMS) and will be approved by the Dean or Vice President of the affiliated department prior to review by Parking Services. Any associated fees will be billed to the requesting department.

## E. Accessibility Parking Requirements

By state law, the person to whom the state-issued Disability License Plate or Disability Placard is issued must be an occupant of the vehicle that displays the license plate or placard. UWG complies with the

Americans with Disabilities Act (ADA) by providing designated parking spaces for persons with ADA Accessibility requirements.

For faculty, staff, or students to park in the designated ADA spaces, they must register their parking accommodation information and have a special decal marked "ADA" issued by Parking Services. The special decal will be affixed to the driver's assigned hangtag. Vehicles that display a valid state-issued Disability License Plate or Disability Placard may receive a citation for violating Parking Regulations if not registered with Parking Services. Further violations may be subject to fines and/or impoundment until the vehicle is registered with Parking Services.

**Temporary accommodation permits** can be issued to students by request from Accessibility Services or a doctor (maximum 30 day duration per semester). At least five days before the expiration of a temporary accommodation permit, any student with a continuing need must contact Parking Services. Students issued a temporary accommodation permit cannot park in ADA spaces. They can only be used outside their designated parking zone in faculty/staff zones.

## F. Regulations

Parking Regulations are in effect at all times. Additionally, University Police have the authority to enforce Georgia's Motor Vehicle Code at all times. ~~See O.C.G.A., Title 40, §40-1-1.~~ See O.C.G.A. 40-1-1.

Parking is at the risk of the driver. The University does not carry insurance for damage or loss to vehicles or contents.
