~~Background Investigations are necessary to ensure individuals joining the University of West Georgia (UWG) as an employee or affiliate (i.e., student employees, temporary employees, and volunteers) meet the qualifications to serve in a Position of Trust.~~

This procedure establishes Background Investigation requirements and a process for UWG to ensure adherence to applicable laws, University System of Georgia (USG) Board of Regents (BOR) policies and procedures, and compliance with the following requirements and standards. **All UWG departments, employees (i.e., full-time, part-time, temporary, and student), and affiliates (e.g., contractors, volunteers, etc.) are covered by this procedure.**

- A Background Investigation that conforms to the standards of this procedure is a condition of employment with UWG.
- All offers of employment or affiliate opportunities by UWG are conditional, pending the results of a Background Investigation, and shall align with the USG Human Resources Administrative Practice (HRAP) Manual for Background Investigations.
- Background Investigations shall be initiated through the Office of Human Resources (OHR) and conducted by the approved vendor, following any mandatory requirements and applicable laws and regulations.
- By state law, Public Safety Officers may not conduct Background Investigations for UWG employees other than the additional requirements associated with sworn and civilian (non-sworn) law enforcement positions as required by state law and Georgia Peace Officer Standards and Training (P.O.S.T.) certification requirements.
- UWG's OHR shall maintain an up-to-date Positions of Trust listing (defined in this procedure) and, when appropriate, evaluate positions and make determinations based on related responsibilities.

- Employees who separate from UWG and are subsequently rehired at UWG will undergo a Background Investigation if rehired into a Position of Trust unless one was completed within the preceding 12 months.

- ~~• consideration of the circumstances,~~
- ~~• number and seriousness of the individual's prior offense(s),~~

The candidate is removed from consideration due to misrepresentation unless the inaccuracies contained in the report are corrected within a minimum of five days.~~

A copy of the report shall be given to each Candidate or Employee as applicable.*

~~The OHR will inform the Hiring Manager and supervisor of the applicant's ineligibility. Employment decisions are as outlined below.~~

- **Background Investigation reports show no convictions:** The selected Candidate is determined to be eligible for employment, and the Hiring Department and the Candidate are notified.

Employment eligibility will be determined based on the nature of the conviction and position.
- **The Background Investigation report shows Undisclosed Convictions.** The selected Candidate is removed from consideration due to misrepresentation and falsifying application materials.

2. Adverse Action Notice

Note: An ineligibility determination for a specific position due to a criminal conviction or Credit History Report does not necessarily disqualify the individual from all employment with the University. Each case is evaluated individually.

J. Requests for “Start Before Completion/Review of Background Investigation”

In certain critical or hard-to-fill positions, offers may be extended to Candidates on a conditional basis before the Background Investigation process is finished.

Background Investigations are completed within three business days, dependent upon the state, county, or government agency. Individuals will be permitted to perform duties or responsibilities for the University once any such Background Investigations are completed and reviewed.

2. Immediate need to fill a position based on a safety or compliance issue;
3. Immediate need to fill a position related to patient care (if allowed by regulatory compliance) or laboratory supervision;
4. Urgent business need that could result in a financial issue or otherwise inhibit the University's ability to deliver a significant service.

The decision to grant a “start before the completion and review of a Background Investigation” can only be granted by the University's Chief Human Resource Officer or their designee, in consultation with the University General Counsel and, where appropriate, the Hiring Department supervisor. The new employee or affiliate must complete and sign an affidavit confirming employment, or their affiliate position is based upon the successful completion of a Background Investigation.

K. Recordkeeping

Background Investigation reports shall be considered confidential and protected as such. Background Investigation reports are housed within the USG Background Investigation vendor system in accordance with the applicable laws and records retention schedule (i.e., BI Vendor). The BIO or designee will maintain all communications related to the decision. ~~These reports are stored and segregated from the employee's personnel file.~~
