

**Experiential Learning Center Nurse Educator**  
“Educational Excellence in a Caring Environment”

## About Us

Welcome to one of the most dynamic universities in the nation.

Since 1906, UWG has been home to those who are eager to take their own path, learn, and grow. With more than 13,400 students and 85+ programs, we've come a long way since then. Today, we're a regional powerhouse with locations in Carrollton, Douglasville, and Newnan, Georgia, making a difference in the lives of our students, our neighbors, and the world. The one thing that's never changed: Amazing things happen when you Go West.

### Becoming UWG

Becoming is about what we grow to be. UWG is positioning for Success in the 21st Century, introducing Strategic Priorities to help shape a comprehensive blueprint for our university. Relevance, Competitiveness and Placemaking serve as the pillars for the future of the institution. Learn more at <https://www.westga.edu/becominguwg/index.php>.

### UWG Commitment Statement

Dedicating ourselves to the curation of a first-choice university.
