

TANNER HEALTH SYSTEM SCHOOL OF NURSING

ELC Nurse Educator
“Educational Excellence in a Caring Environment”
Welcome to one of the most dynamic universities in the nation.

Since 1906, UWG has been home to those who are eager to take their own path, learn, and grow. With more than 12,700 students from across Georgia, 34 other states and 64 countries, 95+ undergraduate programs and concentrations, and 35 master’s, specialist, and doctoral degree programs, we’ve come a long way since then. Today, we’re a regional powerhouse making a \$626 million local economic impact.

With locations in Carrollton, Douglasville, and Newnan, Georgia, we take pride in making a difference in the lives of our students, our neighbors, and the world. In essence, UWG provides a safe, quality and affordable college experience that transforms lives. Amazing things happen when you Go West!

The university is organized into our [College of Art, Culture, and Scientific Inquiry](#); [College of Education](#); [Richards College of Business](#); [University College](#); [School of Communication, Film, and Media](#); [Tanner Health System School of Nursing](#); [Honors College](#); [Graduate School](#); [UWG Newnan](#); and our [UWG Douglasville Center](#).

Department Information - The University of West Georgia Tanner Health System School of Nursing strives for “educational excellence in a caring environment” with over 550 students in graduate and undergraduate programs. Designated as a Center Of Excellence by the National League for Nursing, SON instructional facilities are state of the art including spectacular lab and simulation spaces in Carrollton and Newnan. Undergraduate programs include a pre-licensure BSN program and a 100% online RN to BSN program. Graduate programs, recognized for 10 consecutive years by US News and World Report, are also online including a MSN program (Nurse Educator Track or Health Systems Leadership Track with an option for the AACN Clinical Nurse Leader Role), as well as an innovative EdD in Nursing Education program.

Job Summary - The purpose of this position is to supervise the day-to-day operation of the Carrollton Nursing Lab and Simulation suite which includes physical space, equipment, hardware, software, and the human element. This individual is a professional RN with responsibility for skills and simulation, lab planning and instruction.
